

Your Mid-Spring Semester Update

Commencement is coming soon

Join us in May for a memorable celebration of your student's hard work and dedication! Our Spring 2025 commencement ceremonies will be held on Friday, May 16 (graduate programs), and Saturday, May 17 (undergraduate programs). Please review the information on the [Commencement](#) webpage for details and helpful information.

One Day, One Dog is just around the corner

One Day, One Dog, the University's annual Day of Giving and Service, is coming up April 3. Join alumni, employees, students and friends of the University as we give, serve and celebrate. Donors who give \$50 or more before April 3 will receive a One Day, One Dog T-shirt to wear on the big day and in social media posts. You can also become an advocate by making a gift to the area of campus that means the most to you and encouraging others to give. If you'd like to make a gift before April 3 or become an ODOG advocate, visit the [One Day, One Dog giving page](#). Encourage your student to get involved by signing up for one of the many service projects happening that day. For more details, contact [Kasey Eastland](#). Let's come together to make a difference!

Interested in signing up for a payment plan? Want to learn more about Summer School tuition? Need to find a tax form? Check out the latest [news](#) from the Business Office.

Get involved at Wingate!

Encourage your student to get involved in one of the 72 active clubs on campus, the many Campus Recreation opportunities, BARC events and more. They'll need to use the Corq app to find out everything they need to know about upcoming events. On average, students who get involved outside of the classroom – going to BARC activities, attending athletic events, joining student organizations or having a work-study job – are more successful at Wingate than those who do not. Encourage your student to get out there, try new things, and find their home at Wingate! Follow @wustudentorgs on Instagram to see what your student is up to!

SGA is a good resource for students

Students can let their voices be heard through the Student Government Association. At monthly SGA forums and programming, students can share their experiences, thoughts and solutions with the board, which acts as a liaison between students and University administration. Your student can also communicate with the SGA through the "Student Feedback Form," which they'll find when they log into WUSync. Applications to join an SGA committee are open year-round. If your student has any questions or concerns, encourage them to contact SGA via email (sga@wingate.edu) or Instagram (@wingatesga).

SpringGate 2025

Encourage your student to attend SpringGate events April 28 through May 3. A ton of events will be held around campus to celebrate the end of the semester. From the annual Casino Night to SGA Bulldog Battleship to our Saturday Music Extravaganza (with multiple local food trucks), there will be something for every student to enjoy. Check out the week's events by following @wu_barc on Instagram!
