## Hospital Indemnity Insurance

### CANUTILLO INDEPENDENT SCHOOL DISTRICT

**Hospital Indemnity Insurance which we call Hospital Cash Benefits provides financial support for each day you or your dependent stays in the hospital.** This coverage can help alleviate the financial burden during a hospital stay, allowing you to focus on your recovery rather than worrying about unexpected expenses.

### What are Hospital Cash Benefits?

To support your financial well-being, your company is offering Hospital Cash Benefits for all eligible employees. This coverage is paid by you and is available for yourself and your eligible dependents. This benefit offers cash payments if you're admitted to the hospital due to illness or injury. The payments can help offset the costs associated with a hospital stay and give you flexibility to use the money where you need it most. You must be actively at work with your employer on the day your coverage takes effect. Use them for things like:

- Hospital Admission Fees
- Transportation
- Lodging for Family
- Recovery Support Services

**Our Hospital Benefits provide financial support for hospital stays. Here are some commonly covered benefits.**

Benefit	Amount	
	Plan 1	Plan 2
First Day Hospital Confinement	\$1,000	\$1,500

First Day ICU Confinement	\$2,000	\$3,000
Daily ICU Confinement	\$200	\$400

## Stay proactive about your health and get rewarded.

Health Screening Benefit: When you or a covered family member complete an eligible preventive screening like an annual physical, mammogram, colonoscopy or biometric blood test, you'll receive \$75 per person, per calendar year directly to you. It's a simple way to offset the cost of routine check-ups while maximizing your benefits.

### How Hospital Cash Benefits work:

#### Samantha's Story<sup>1</sup>

Samantha was excited about the arrival of her first child, but her delivery didn't go as planned. Complications led to an unexpected C-section and a longer-than-expected hospital stay. While her health insurance covered a portion of the medical costs, the extra days in the hospital added up quickly.

Luckily, Samantha had enrolled in Hospital Indemnity Insurance during open enrollment. The plan paid a set cash benefit for each day she was in the hospital, which she used to help with medical bills, childcare, and even groceries while she recovered at home.

Thanks to her hospital indemnity coverage, Samantha had one less thing to worry about during a stressful time.

#### Here's how you and your family can benefit from this coverage if something happens to you:
