

# Hospital Indemnity

## WHAT IS A HEALTH SCREENING BENEFIT?

A health screening benefit is a cash benefit you can use to pay for a health screening for preventative care.

A health screening is a routine test done to find a problem or condition before signs show up. Screenings can help you maintain your health and prevent serious illness.

### ELIGIBLE HEALTH SCREENINGS<sup>3</sup>

|                                        |                              |                                                        |
|----------------------------------------|------------------------------|--------------------------------------------------------|
| Abdominal aortic aneurysm ultrasound   | Cervical cancer screening    | Lipid panel                                            |
| Aneurysm ultrasound                    | Chest X-ray                  | Mammography <sup>4</sup>                               |
| Blood test for triglycerides           | Colonoscopy                  | Pap smear                                              |
| Bone marrow testing                    | COVID-19 testing             | PAD ultrasound                                         |
| Bone density screening                 | CT angiography               | PSA (blood test for prostate cancer)                   |
| Breast ultrasound                      | Double contrast barium enema | Serum cholesterol test to determine HDL and LDL levels |
| CA 15-3 (blood test for breast cancer) | ECG/EKG                      | SPEP (blood test for myeloma)                          |
| CA 125 (blood test for ovarian cancer) | Fasting blood glucose test   | Stress test (on a bicycle or treadmill)                |
| Carotid ultrasound                     | Flexible sigmoidoscopy       | Thermography                                           |
| CEA (blood test for colon cancer)      | Hemoccult stool analysis     |                                                        |

Other critical illness and cancer screening tests that are not listed here but are within generally accepted standards of medical care may also be eligible. Coverage availability varies by state. Not all tests are available in all states.

## How Do I use my Health Screening Benefit?

File a claim to access your health screening benefit with these steps:

### STEP 1: Check Eligibility

Review the Health Screening chart from page 1 to find out if your health screening is eligible.

### STEP 2: Organize Information

Prepare to file your claim.  
You'll need the following information:

- Name, address and your group policy number
- Name of the health screening or test performed and the date completed; and
- Details of where the health screening was received and physician contact information (if applicable).

### STEP 3: File Your Claim Over the Phone or Online

You can file your claim however you are most comfortable, over the phone with one of our claims professionals or online through the portal.

To file your claim by phone, call: **866-547-4205**  
Monday through Friday, 8:00 am – 6:00 pm EST

To file your claim online, visit the  
Supplemental Health Claims Portal:
