Select any of the reasons that contributed to your ranking choices:

☐ Location	☐ School Culture
☐ Academic Programs or Career Pathways	☐ Extracurricular Activities (Clubs and Sports)
☐ Siblings or Family Member Attends or Attended	☐ Other: _____

High School Choice at Providence Public Schools

Families of current Grade 8 students have the opportunity to indicate their top four preferences for high school placement next fall. The district uses a lottery system to assign seats to each school following the student assignment policy. Please complete this form even if your student has applied for a Career and Technical Education (CTE) program or Classical High School as this will not affect their application and selection process. Please submit your choices by February 20, 2026, as follows:

Current Providence Public School Students:

- Families can complete this form on a smart phone, directly within the ParentSquare app. For help with ParentSquare, please sign in or register at www.providenceschools.org/parentsquare.
- Alternatively, families can complete and return this form to your child's current school

Students currently living in Providence, but attending private or charter schools:

- Please complete and return this form to the PPSP Registration Center, located at 325 Ocean St., Providence

Once you submit your form you cannot change it. If you need help completing the form or need to update your home address, please contact your current school. Change in home address could affect school choice. Students who submit after **February 20, 2026** are not eligible for the lottery and will be assigned after all of the lottery students are placed.

Placements will be announced by late March, where they will be available at providenceschools.org in the **Skyward Portal**. Due to limited space, we cannot guarantee placement in any one school.

Dual Language Program: Hope High School offers a Spanish Dual Language program. All current Dual Language students are eligible for this program. Additionally, any student who is not enrolled in a Dual Language program but has a home language of Spanish and is interested in the program may select it from the options. If your child is not currently in a Dual Language program, their Middle school will evaluate their Spanish literacy using an i-Ready Spanish assessment to determine program eligibility. If you have any questions regarding Dual Language, please contact Nelia.Fontes@ppsd.org.

The following schools may require an entrance exam or are application schools and do not participate in the school choice lottery:

- Classical High School
- Providence Career and Technical Academy

Visit providenceschools.org/OCTE for information about career and technical education programs. For more information on the student placement policy or the registration process, visit providenceschools.org/registration.
