Welcome to Commuter Benefits

Commuter Benefits are

tax-free fringe benefits, authorized by the Internal Revenue Code 132(f), that allow hardworking employees, like you, to pay for qualified commuting costs using pre-tax money.

Qualified Commuting Costs

A wide variety of Commuter Benefit products ensures that no matter how you commute, you can enjoy the savings and convenience of the benefit. Commuter Benefits cover the following commuting expenses:

How You Save

Since commuter benefits allow you to use tax-free money to pay for qualified commuting costs, you'll end up saving on your income taxes.

How much could you save?

The current monthly tax-free allowable limits are updated yearly. For the most up to date information and our savings calculator, please visit:
