Join Midvale Elementary School and become part of a thriving, supportive community dedicated to the success of every student!

Learn.

Midvale Elementary boasts a richly diverse student body, fostering an inclusive atmosphere where students from various backgrounds learn and grow together. Learning promotes cultural awareness and mutual respect.

Our school engages with families and the broader community to support student success. Through clear communication and partnership with parents, we can reinforce our mission to provide a high-quality education for all learners.

Belong.

At Midvale Elementary, belonging is woven into every part of the school experience, where each child is valued, seen and supported.

Students in grades K–2 grow in a community rooted in respect and connection. Through inclusive classrooms, diverse cultural celebrations and strong family partnerships.

Thrive.

Midvale has a beautiful garden space that is used throughout the school year to educate and inspire our students. These gardens serve as hands-on learning environments where students can engage with nature and develop curiosity.

Midvale is designated Community School providing Full-Day 4K and Dual Language Immersion (DLI).

Midvale Mission Statement

Midvale School is a diverse, caring and joyful community whose mission is to empower children to become enthusiastic and inquisitive lifelong learners. At Midvale-Lincoln elementary schools, we strive to provide a high quality education and create an environment whereby every child’s potential is reached. A safe, respectful learning environment that recognizes individuality and promotes academic excellence, and an inclusive, multicultural curriculum values diversity. Staff, families and community are committed to mutually responsible partnership on behalf of our children.

Dual Language Immersion Program

At Midvale, the Dual Language Immersion (DLI) Program brings English Language Learners and native English speakers together in a classroom where they learn side by side. Classes are taught in Spanish and English so that students develop their first language while learning communication and literacy skills in a second language.

A Commitment to Communication

The entire Midvale Elementary staff puts an emphasis on establishing a strong educational partnership with parents and guardians for the benefit of our learners. We believe it is vital that the home/school link be strong so that children have every opportunity to be a successful learner.

Madison Metropolitan School District

(MMSD) is the place where your child will truly thrive. We welcome all children and foster a strong sense of belonging, ensuring every student feels valued and supported.

At MMSD, we believe in exploring a wide range of interests and providing opportunities that help students discover their passions, talents and unique potential. From arts to sciences, technology to sports, there’s something for every child to explore and grow!

We’re proud to have the support of our community, with newly renovated high schools, a new elementary school and 10 new buildings coming soon. These modern spaces create an environment for future-ready opportunities that will set your child up for success!
