Principal's Message

As the principal of Abraham Lincoln Elementary School, it is my sincere pleasure and honor to be a member of the "Lion Pride." In Colton Joint Unified School District I have enjoyed the results of professional partnerships between district and school staff, community members, and the school board while serving our school as we strive toward what is best for our children's academic success and social well-being. I am truly honored to be in this position and am looking forward to working with the dedicated staff to provide the best possible educational program to our students.

I find that my professional experiences have assisted me in developing and implementing programs and services that are student-centered and support the ideals of the Colton Joint Unified School District for student achievement and social well-being.

My greatest desire is to provide leadership that will facilitate a safe school environment that provides academic excellence and challenge for each child to achieve to the best of their ability. The educational programs will exemplify our transition to the Common Core State Standards. Parents, teachers, support staff, and administration all have an important role in encouraging and supporting our children's learning experiences.

Through a close partnership with our learning community, I am confident we can make our school a safe place where our children learn and grow.

Mission Statement

The Mission of the Colton Joint Unified School District, a team of caring employees dedicated to the education of children, is to ensure each student learns the academic knowledge and skills necessary to thrive in college or in the workforce and be responsible, productive citizens by providing engaging, challenging, and enriching opportunities and specialized programs in a safe environment in partnership with students, families, and our diverse communities.

School Profile

Abraham Lincoln Elementary School is located in the northwestern region of Colton and serves students in grades transitional kindergarten through six following a traditional calendar. At the beginning of the 2024-25 school year, 587 students were enrolled, including 16.2% receiving special education services, 26.2% qualifying for English learner support, 0.2% foster youth, 5.1% homeless youth, and 91.0% socioeconomically disadvantaged.

Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning (Basic Services) – State Priority 1: Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned Instructional materials and school facilities are maintained in good repair. Covered in Teacher Preparation and Placement, including the Teacher Credentials & Misassignments chart; Instructional Materials, including the Textbooks chart; and School Facilities & Maintenance, including the Campus Description and School Facility Good Repair Status charts.

Conditions of Learning (Implementation of State Standards) – State Priority 2: Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

Parental Involvement – State Priority 3: Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in Parent Involvement.

Pupil Achievement – State Priority 4: Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in California Assessment of Student Performance and Progress, including the CAASPP charts.

Engagement (Pupil Engagement) – State Priority 5: School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation rates. Covered in Dropout & Graduation Rates, including the Dropout chart; and Graduation Requirements, including the Graduation Rate chart for high schools only.

School Climate – State Priority 6: Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

Conditions of Learning (Course Access) – State Priority 7: Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

Other Pupil Outcomes – State Priority 8: Pupil outcomes in the subject areas. Covered in Physical Fitness, including the Physical Fitness Test chart.

Student Achievement California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Physical Fitness

In the spring of each year, Abraham Lincoln Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf.

Note: The administration of the PFT requires only participation results for these five fitness areas.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by supporting their child's learning at home and at school. The Partnership Center for Social Organization of Schools (Epstein) recommends that parents set aside a time and area in their home for homework to take place. Classroom teachers use planners in grades 4-6 and Class DoJo in grades K-6 to reinforce school-to-home and home-to-school communication. The school offers parent support classes in the areas of mathematics, reading, and technology to support ideas for helping students at home. Parents are invited to participate in English Language classes, English Language Advisory Committee, School Site Council, Parent Teacher Association, Helping Hands, school events support, field trip volunteer, and classroom supports.

Parents stay informed of upcoming events through flyers, yearly parent handbook, student handbook (grades 4-6), student folders (grades K-3), and the following electronic resources: ClassDoJo, Classroom and School Story, Blackboard Connect email text and phone messages, CJUSD web page, and Lincoln web page.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Abraham Lincoln Elementary School's original facilities were built in 1953; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

2024-25 Campus Improvements:

- Freshly painted exterior of school
- Resurfaced entire blacktop
- Updated student playground equipment

2025-26 Planned Campus Improvements:

- New flooring in MPR
- Secured front entrance
- New PA intercom system

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and an evening crew are assigned to Abraham Lincoln Elementary School. The day custodian is responsible for:

- Cafeteria setup/cleanup
- Restroom cleaning
- Event setup/cleanup

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening crew is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning
- Removal of trash
- Event setup/cleanup

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Abraham Lincoln Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in November 2025.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal, assistant principal, and noon aides are strategically assigned to designated entrance areas and the playground. During recess, teachers supervise playground activity. The principal, assistant principal, and noon aides monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal, assistant principal, and teachers monitor student behavior to ensure a safe and orderly departure.

Abraham Lincoln Elementary School is a closed campus. During school hours, all visitors must show identification, sign-in at the school's office and wear identification badges while on school grounds. If visitors wish to volunteer in the classroom, attend activities with their child, chaperone on field trips, they must complete the district volunteer packet. The volunteer packet requires a clear TB test, a background clearance, and a valid identification.

In order to protect our students, visitors and staff, all visitors entering the classroom will be required to show a valid government ID which will be scanned into our Raptor Identification Technology System. Visitors that are approved will wear a photo sticker name tag at all times while working with students.

Facilities Inspection

The district's maintenance department inspects Abraham Lincoln Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Abraham Lincoln Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Sunday, December 07, 2025. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2025-26, all restrooms were fully functional and available for student use at the time of the inspection.

Classroom Environment

Discipline & Climate for Learning

Abraham Lincoln Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Chronic Absenteeism

The following chart identifies the chronic absenteeism rates by student group for Abraham Lincoln Elementary School for the 2024-25 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Abraham Lincoln Elementary School revolve around the California State Content Standards and Frameworks. During the 2024-25 school year, Abraham Lincoln Elementary School held staff development training devoted to:

- Data Analysis and Collaboration
- Instructional Strategies
- Technology Training
- MEL Summit
- Professional Learning Communities (PLC)

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Abraham Lincoln Elementary School supports ongoing professional growth throughout the year on student free work days. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training sessions as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2023-24, 2024-25, and 2025-26 school years, Abraham Lincoln Elementary School's teachers had the opportunity to attend the following events hosted by the Colton Joint Unified School District:

2023-24 Training:

- Speech Learning
- CET Group (Former Future Ready)
- Behavior Training
- N2Y Professional Learning
- Cognitive Coaching
- EL Summer Institute

2024-25 Training:

- Collaboratively Build Standard-Aligned Lesson Plans
- Develop Formative Assessments
- Complete Data Reflections
- Develop Small Group Intervention Plan/Lessons
- Conduct Inquiry Work around the Professional Learning Framework
- Identification of Struggling Students

2025-26 Training:

- Multilingual Institute - Equity Through Action: Responding to the Needs of Every Learner

Colton Joint Unified School District also offered teachers supplemental professional development training during the 2025-26 school year on the following topics:

- LETRS Training
- Partners in Progress
- Textbook Training
- HM Go Math for English Learners
- Amplify Lectura
- Designated ELD training
- Technology Trainings
- AVID

Abraham Lincoln Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Instructional Materials

All textbooks used in the core curriculum at Abraham Lincoln Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education with the exception of the TK materials which are from the most recent local governing board adoption. The district follows the State Board of Education's eight-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Thursday, October 2, 2025, the Colton Joint Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 26-19 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2025-26 school year, Colton Joint Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Professional Staff Counseling & Support Staff

Abraham Lincoln Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Abraham Lincoln Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.
