Principal's Message

Welcome to the HOME of the EXEMPLARY SOARING & EXPLORING EAGLE! We are looking forward to an AMAZING 2025-2026 school year at Grand Terrace Elementary School.

We are excited to open the new Student Drop-off/Pick-up lot with the Digital Marquee, along Barton road. It has eased traffic flow and also uplifted the curb appeal of the school. Construction projects will continue this school year. We are looking forward to the addition of three new playgrounds, relocation of staff parking lot, and addition of another new Student Drop-off/Pick-up lot with parent parking on the north side of Vivienda.

The Common Core Standards will continue to guide instruction and focus on preparing students to be College and Career Ready. We also offer the DUAL IMMERSION Program to our Transitional Kindergarten through Fourth Grade students to develop competencies in two languages.

Our passionate and determined teachers strive to create a "Student Centered Personalized Learning Environment" by making learning relevant, engaging, challenging, interesting, inquiry-based, and related to real world applications. We want students to be immersed in learning, feel the connection between learning and their daily lives. Curiosity, Creativity, Control, Communication, and Collaboration are our guiding principles in this endeavor.

Along with success in academics, we also strive to instill a good moral character in our students. Our Positive Behavior Intervention and Support Program (PBIS) focuses on teaching students to SOLVE PROBLEMS, OWN THEIR BEHAVIOR, ACT RESPONSIBLY, and RESPECT THEMSELVES and OTHERS.

We are looking forward to a rewarding educational experience for our students. Working together we will make a difference and will ensure that every child will achieve his/her full potential. Your support in making sure that homework is completed nightly, students arrive at school on time each day, and staying in contact with the teacher is critical. We also encourage you to join ELAC/SSC, attend conferences, parent workshops, school programs, school events, or be a volunteer. It sends a message to your child that you care about his/her education.

On behalf of our staff, I also encourage you to contact us regarding concerns, suggestions, and also accolades. Your input is important to us, as we value it. We are looking forward to another incredible year here at the home of the EXEMPLARY SOARING & EXPLORING EAGLE!

Mission Statement

Our Grand Terrace Elementary Community is committed to developing resilient lifelong learners that positively contribute to the global society. Our students will reflect on their learning and their actions in an effort to become lifelong learners and creative thinkers.

Vision Statement

Grand Terrace Elementary School is committed to collaborating with all stakeholders to create a modern learner-centered community that allows flexibility, encourages creativity, fosters curiosity, and promotes autonomy in every modality of learning.

School Profile

Grand Terrace Elementary School is located in the southern region of Grand Terrace and serves students in grades transitional kindergarten through six following a traditional calendar. At the beginning of the 2024-25 school year, 654 students were enrolled, including 13.9% receiving special education services, 18.0% qualifying for English learner support, 0.9% foster youth, 4.3% homeless youth, and 80.6% socioeconomically disadvantaged.

Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning (Basic Services) – State Priority 1: Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials and school facilities are maintained in good repair. Covered in Teacher Preparation and Placement, including the Teacher Credentials & Misassignments chart; Instructional Materials, including the Textbooks chart; and School Facilities & Maintenance, including the Campus Description and School Facility Good Repair Status charts.

Conditions of Learning (Implementation of State Standards) – State Priority 2: Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

Parental Involvement – State Priority 3: Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in Parent Involvement.

Pupil Achievement – State Priority 4: Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in California Assessment of Student Performance and Progress, including the CAASPP charts.

Engagement (Pupil Engagement) – State Priority 5: School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation rates. Covered in Dropout & Graduation Rates, including the Dropout chart; and Graduation Requirements, including the Graduation Rate chart for high schools only.

School Climate – State Priority 6: Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

Conditions of Learning (Course Access) – State Priority 7: Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

Other Pupil Outcomes – State Priority 8: Pupil outcomes in the subject areas. Covered in Physical Fitness, including the Physical Fitness Test chart.

Student Achievement California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

Physical Fitness

In the spring of each year, Grand Terrace Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf.

Note: The administration of the PFT requires only participation results for these five fitness areas.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through flyers, the school marquee, the school website, and Blackboard Connect (automated telephone message delivery system). Contact the school office at (909) 580-5032 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Grand Terrace Elementary School's original facilities were built in 1950's; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

2024-25 Campus Improvements:

- Upgrade fire alarm system
- Parking lot addition
- Installation of school marquee
- ELOP classroom/Toilet building addition

2025-26 Planned Campus Improvements:

- TK/Kinder CR/Playground, parking, and drop off improvement
- Remove one old portable and replace with new portable
- Relocate two portables
- Install new playground equipment on all three playgrounds
- Addition of a two classroom building for TK
- New staff parking lot
- Installation of two new student restrooms
- Installation of two new staff restrooms

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and an evening crew are assigned to Grand Terrace Elementary School. The day custodian is responsible for:

- Cafeteria setup/cleanup
- General grounds maintenance
- Restroom cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening crew is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Grand Terrace Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in February 2025.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal, assistant principal, and noon duty supervisors are strategically assigned to designated entrance areas and the playground. During recess, teachers supervise playground activity. The principal, assistant principal, teachers, and noon duty supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal, assistant principal, teachers, and noon duty supervisors monitor student behavior to ensure a safe and orderly departure.

Grand Terrace Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

<i>Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or resulting from minor wear and tear, and/or in the process of being mitigated.</i>				

Facilities Inspection

The district's maintenance department inspects Grand Terrace Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Grand Terrace Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Sunday, December 07, 2025. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2025-26, all restrooms were fully functional and available for student use at the time of the inspection.

County Williams Settlement School Inspection Results

On an annual basis, representatives from the County Office of Education visit Colton Joint Unified School District's schools who are subject to a Williams inspection. The inspection is designed to evaluate and verify that school facilities conditions are in "good repair" and that any deficiencies are accurately reported in the School Accountability Report Cards. The county facility inspection will be completed in January or February of 2026.

Classroom Environment

Discipline & Climate for Learning

Grand Terrace Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Chronic Absenteeism

The following chart identifies the chronic absenteeism rates by student group for Grand Terrace Elementary School for the 2024-25 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Grand Terrace Elementary School revolve around the California State Content Standards and Frameworks. During the 2024-25 school year, Grand Terrace Elementary School held staff development training devoted to:

- CABE Conference
- Data Analysis
- Designated & Integrated Supports for English Learners
- DIBELS
- Instructional Strategies
- Math Strategies
- Lesson Planning
- SBCSS - Math Training (K-6)
- Technology Training
- UFLI

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Grand Terrace Elementary School supports ongoing professional growth throughout the year on minimum days. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training sessions as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2023-24, 2024-25, and 2025-26 school years, Grand Terrace Elementary School's teachers had the opportunity to attend the following events hosted by the Colton Joint Unified School District:

2023-24 Training:

- Speech Learning
- CET Group (Former Future Ready)
- Behavior Training
- N2Y Professional Learning
- Cognitive Coaching
- EL Summer Institute

2024-25 Training:

- Collaboratively Build Standard-Aligned Lesson Plans

Instructional Materials

All textbooks used in the core curriculum at Grand Terrace Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education with the exception of the TK materials which are from the most recent local governing board adoption. The district follows the State Board of Education's eight-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Thursday, October 02, 2025, the Colton Joint Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 26-19 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2025-26 school year, Colton Joint Unified School District provided each student,

including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Professional Staff

Counseling & Support Staff

Grand Terrace Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Grand Terrace Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

SARC Data

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Grand Terrace Elementary School and comparisons of the school to the district and the county. DataQuest is a dynamic system that provides reports for school accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/reflects> California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation and the ability to print documents.

Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Colton Joint Unified School District.
