### Principal's Message

Welcome to the Home of the Stallions and to the 2025-2026 school year!!!

I'm thrilled to welcome you to the new school year and am honored to begin my 21st year as an administrator in Colton Joint USD and my 18th year as a Principal. Over the past 17 years, I've had the privilege of leading Grand Terrace Elementary (6 years), Zimmerman (5 years), and Wilson (6 years). Each school year brings fresh opportunities to grow, and I can't wait to see what Sycamore has in store for our incredible learning community.

Sycamore Hills brims with pride—our students, staff, and families all carry the Stallion spirit with professionalism, passion, and purpose. My vision is for every scholar here to thrive academically and develop courage, resilience, perseverance, and grit.

We pride ourselves on academic excellence, delivering a standards-based curriculum enriched by evidence-based strategies, teacher-created assessments, and targeted enrichment programs. As a Professional Learning Community (PLC), our staff collaborates continuously to ensure every student reaches their fullest potential—we're truly training tomorrow's leaders!

At Sycamore we uphold values such as Respect, Responsible, Empathy, and Integrity. Through PBIS and Social-Emotional Learning, our PBIS Team (teachers, coaches, parents, counselor, and administration) supports every student in building strong character, social skills, and resilience.

Families, connecting with you will continue to be one of my main efforts. Your presence matters—that connection builds a vibrant, supportive learning environment for all. We strive to foster partnerships among our parents, students, staff, and community to create a warm, caring, and supportive environment, where all students will succeed. We wholeheartedly invite you to engage with the Stallion community through: PTO, School Site Council, ELAC, PBIS Team, the Stallion Store, Library Helper, and Field Trip Chaperoning. Please visit the office for a volunteer packet to complete.

Keep up with our Sycamore moments by visiting our website and following us on Facebook, X, and Instagram. Our social media channels are where news, events, and student achievements come alive in real time!

My door is always open. Whether you have questions, ideas, or simply want to say hello—please reach out. Together, let's make the 2025–2026 school year unforgettable!

## Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

**Conditions of Learning (Basic Services) – State Priority 1:** Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned Instructional materials and school facilities are maintained in good repair. Covered in Teacher Preparation and Placement, including the Teacher Credentials & Misassignments chart; Instructional Materials, including the Textbooks chart; and School Facilities & Maintenance, including the Campus Description and School Facility Good Repair Status charts.

**Conditions of Learning (Implementation of State Standards) – State Priority 2:** Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

**Parental Involvement – State Priority 3:** Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in Parent Involvement.

**Pupil Achievement – State Priority 4:** Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in California Assessment of Student Performance and Progress, including the CAASPP charts.

**Engagement (Pupil Engagement) – State Priority 5:** School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation rates. Covered in Dropout & Graduation Rates, including the Dropout chart; and Graduation Requirements, including the Graduation Rate chart for high schools only.

**School Climate – State Priority 6:** Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

**Conditions of Learning (Course Access) – State Priority 7:** Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

**Other Pupil Outcomes – State Priority 8:** Pupil outcomes in the subject areas. Covered in Physical Fitness, including the Physical Fitness Test chart.

## Student Achievement California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website [www.cde.ca.gov/ta/tg/ca/](http://www.cde.ca.gov/ta/tg/ca/).

**Physical Fitness**

In the spring of each year, Sycamore Hills Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site [www.cde.ca.gov/ta/tg/pf](http://www.cde.ca.gov/ta/tg/pf).

## School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Sycamore Hills Elementary School's original facilities were built in 2002; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the playground was resurfaced.

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and an evening crew are assigned to Sycamore Hills Elementary School. The day custodian is responsible for:

- Cafeteria setup/cleanup
- General maintenance
- Groundskeeping
- Restroom cleaning
- Event setup/cleanup

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening crew is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning
- Trash removal

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

## School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Sycamore Hills Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in December 2025.

## Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal, assistant principal, and yard duty supervisors are strategically assigned to designated entrance areas and the playground. During recess, teachers monitor playground activity. The principal, assistant principal, and noon duty supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal, assistant principal, teachers, and noon duty supervisors monitor student behavior to ensure a safe and orderly departure.

Sycamore Hills Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

## Facilities Inspection

The district's maintenance department inspects Sycamore Hills Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Sycamore Hills Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Wednesday, December 03, 2025. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2025-26, all restrooms were fully functional and available for student use at the time of the inspection.

## Classroom Environment

### Discipline & Climate for Learning

Sycamore Hills Elementary School's discipline policies are based upon Positive Behavior Intervention and Supports (PBIS), a multi-tiered approach to social, emotional and behavior support. This schoolwide positive behavior management plan is used as a guide to develop school rules, develop behavior management programs, promote responsibility, promote respect, and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

### Chronic Absenteeism

The following chart identifies the chronic absenteeism rates by student group for Sycamore Hills Elementary School for the 2024-25 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

## Curriculum & Instruction

### Staff Development

All training and curriculum development activities at Sycamore Hills Elementary School revolve around the California State Content Standards and Frameworks. During the 2024-25 school year, Sycamore Hills Elementary School held staff development training devoted to:

- English Language Development (ELD)
- ELA Wonders Curriculum Training
- Science of Hope
- Science of Reading
- Step up to Writing

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Sycamore Hills Elementary School supports ongoing professional growth throughout the year on minimum days. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training sessions as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

### Instructional Materials

All textbooks used in the core curriculum at Sycamore Hills Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's eight-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Thursday, October 02, 2025, the Colton Joint Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 26-19 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.
