Principal's Message

Dear Parents,

Welcome back to a brand new school year! We hope this letter finds you and your family in good health and high spirits.

First and foremost, we are thrilled to have your children return to Terrace View. We understand the immense trust you place in us as educators, and we are committed to providing the best possible education and support for your child's growth and development. Our dedicated team of teachers and staff have been preparing diligently to create a safe, nurturing, and stimulating learning environment.

We understand that a strong partnership between home and school is essential for your child's success. We encourage open communication and invite you to actively participate in your child's education. Whether it be through parent-teacher conferences, volunteering in the classroom, through PTA, or simply staying updated with school events and initiatives, your involvement plays a vital role in creating a positive educational experience.

Throughout the year, we have an array of exciting programs and activities planned for your child. We believe in fostering a well-rounded education that nurtures not only academic excellence but also creativity, physical fitness, and social-emotional development. We continue to launch new initiatives to enhance our educational offerings, such as integrating the latest technology into our classrooms and providing new and exciting experiences in the visual and performing arts. Our goal is to equip our students with the necessary skills and knowledge to thrive in an ever-changing world.

In closing, we are grateful for the trust you have placed in us as partners in your child's education. We are excited to embark on this new academic year together and look forward to celebrating your child's growth and achievements. Should you have any questions or concerns, please do not hesitate to reach out to us. We believe that by working together, we can create an exceptional educational experience for your child.

Once again, welcome back to school! Here's to a fantastic year ahead!

Warm regards,
JoAnn R. Grier
Principal

Mission Statement

It is the goal of our school to work together with our student's parents/guardians to equip our children with the knowledge and emotional stability they will need to be successful. Terrace View Elementary School's desire is to better meet each child's academic, aesthetic, social, physical, and emotional needs, and to prepare them for this rapidly changing world.

Vision Statement

It is the vision of Terrace View Elementary School that all students will have the chance to grow to their fullest potential. Furthermore, teachers and parents will strive to meet the needs and ensure the success of every student.

Keeping students first: Achievement • Equity • Wellness

School Profile

Terrace View Elementary School is located in the northwestern region of Grand Terrace and serves students in grades transitional kindergarten through six following a traditional calendar. At the beginning of the 2024-25 school year, 625 students were enrolled, including 11.8% receiving special education services, 4.0% qualifying for English learner support, 0.8% foster youth, 3.0% homeless youth, and 58.9% socioeconomically disadvantaged.

Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning (Basic Services) – State Priority 1: Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials and school facilities are maintained in good repair. Covered in Teacher Preparation and Placement, including the Teacher Credentials & Misassignments chart; Instructional Materials, including the Textbooks chart; and School Facilities & Maintenance, including the Campus Description and School Facility Good Repair Status charts.

Conditions of Learning (Implementation of State Standards) – State Priority 2: Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

Parental Involvement – State Priority 3: Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in Parent Involvement.

Pupil Achievement – State Priority 4: Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in California Assessment of Student Performance and Progress, including the CAASPP charts.

Engagement (Pupil Engagement) – State Priority 5: School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation rates. Covered in Dropout & Graduation Rates, including the Dropout chart; and Graduation Requirements, including the Graduation Rate chart for high schools only.

School Climate – State Priority 6: Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

Conditions of Learning (Course Access) – State Priority 7: Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

Other Pupil Outcomes – State Priority 8: Pupil outcomes in the subject areas. Covered in Physical Fitness, including the Physical Fitness Test chart.

Student Achievement California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

Physical Fitness

In the spring of each year, Terrace View Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf.

Physical Fitness Test % of Students Participating in each of the Five Fitness Components 2024-25

5	92%	92%	92%	92%	92%

Note: The administration of the PFT requires only participation results for these five fitness areas.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through flyers, monthly event calendar, ParentSquare, the school calendar, and class bulletins. Contact the school office at (909) 580-5016 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Terrace View Elementary School's original facilities were built in 1965; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. In the last 12 months, the following campus repairs or improvements were planned or completed:

- ADA restroom upgrades
- TK/Kinder classroom addition
- Resurface playground

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Terrace View Elementary School. The day custodian is responsible for:

- Support staff
- Classroom cleaning
- Office area cleaning
- Restroom restock, as needed
- Breakfast and lunch area setup and cleanup

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening crew is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Terrace View Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in November 2025.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal, the assistant principal, and playground aides are strategically assigned to designated entrance areas and the playground. During recess, teachers and playground aides supervise playground activity. The principal, the assistant principal, and noon aides monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal, the assistant principal, and teachers monitor student behavior to ensure a safe and orderly departure.

Terrace View Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

Facilities Inspection

The district's maintenance department inspects Terrace View Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Terrace View Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Sunday, December 07, 2025. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2025-26, all restrooms were fully functional and available for student use at the time of the inspection.

County Williams Settlement School Inspection Results

On an annual basis, representatives from the County Office of Education visit Colton Joint Unified School District's schools who are subject to a Williams inspection. The inspection is designed to evaluate and verify that school facilities conditions are in "good repair" and that any deficiencies are accurately reported in the School Accountability Report Cards. The county facility inspection will be completed in January or February 2026.

Classroom Environment

Discipline & Climate for Learning

Terrace View Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. School culture and climate is supported by PBIS Programming and teacher support teams.

Chronic Absenteeism

The following chart identifies the chronic absenteeism rates by student group for Terrace View Elementary School for the 2024-25 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Terrace View Elementary School revolve around the California State Content Standards and Frameworks. During the 2024-25 school year, Terrace View Elementary School held staff development training devoted to:

- English Language Arts & Mathematics
- Multi-English Learner
- Lesson Planning

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Terrace View Elementary School supports ongoing professional growth throughout the year on minimum days. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training sessions as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2023-24, 2024-25, and 2025-26 school years, Terrace View Elementary School's teachers had the opportunity to attend the following events hosted by the Colton Joint Unified School District:

2023-24 Training:

- Speech Learning
- CET Group (Former Future Ready)
- Behavior Training
- N2Y Professional Learning
- Cognitive Coaching
- EL Summer Institute

2024-25 Training:

- Collaboratively Build Standard-Aligned Lesson Plans
- Develop Formative Assessments
- Complete Data Reflections
- Develop Small Group Intervention Plan/Lessons
- Conduct Inquiry Work around the Professional Learning Framework
- Identification of Struggling Students

2025-26 Training:

- Multilingual Institute - Equity Through Action: Responding to the Needs of Every Learner

Colton Joint Unified School District also offered teachers supplemental professional development training during the 2025-26 school year on the following topics:

- LETRS Training
- Partners in Progress
- Textbook Training
- HM Go Math for English Learners
- Amplify Lectura
- Designated ELD training
- Technology Trainings
- AVID

Terrace View Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Instructional Materials

All textbooks used in the core curriculum at Terrace View Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education with the exception of TK materials which are from the most recent local governing board adoption. The district follows the State Board of Education's eight-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Thursday, October 02, 2025, the Colton Joint Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 26-19 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2025-26 school year, Colton Joint Unified School District provided each student,

including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Professional Staff Counseling & Support Staff

Terrace View Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Terrace View Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Academic Counselors & Other Support Staff (Nonteaching Professional Staff) 2024-25

Academic Counselor	0	0.0
Counselor	1	1.0
Speech Therapist	1	1.0
Library Media Technician	1	1.0
Psychologist	1	0.5
Nurse	1	0.5
Health Assistant	1	1.0

Note: One full-time equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50% of full-time.

SARC Data

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Terrace View Elementary School and comparisons of the school to the district and the county. DataQuest is a dynamic system that provides reports for school accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/reflects> California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation and the ability to print documents.

Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Colton Joint Unified School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available.
