## REGISTRATION

- ◆ HCS follows a Continuous Enrollment model; all enrolled HCS families will be automatically enrolled each school year until the family opts out.
- ◆ Enrollment for new and returning students (who are in good standing) is on a first-come basis. If there is a waiting list for new students, being first on the waiting list is not a guarantee of next placement.
- ◆ All required documents and fees must be submitted to complete the enrollment process.

### New Students

- ◆ New Student Registration Fee includes application, testing fees, and registration (due at the time of application), that includes processing and building the admissions file, student testing, textbook usage, consumable supplies, office records, supplemental student accident insurance, standardized testing, and yearbook. All fees are non-refundable.
- ◆ New Student Registration Fees are non-refundable unless the student is not accepted by Heights Christian Schools for enrollment. However, if a new student is accepted but later withdraws, the Registration Fee remains non-refundable.

### Returning Students

- ◆ Re-Registration Fee includes textbook usage, consumable supplies, office records, supplemental student accident insurance, standardized testing, and yearbook.
- ◆ Re-Registration Fee is non-refundable for all returning students.

## TUITION ACCOUNT, FEES & PAYMENTS

- ◆ Heights Christian Schools partner with Finalsite to provide secure and convenient payment through Auto Pay.
- ◆ ***Auto Pay is required for all HCS family accounts. All tuition payments and incidental fees will be automatically drafted from the preferred payment method on the invoice due date.***
- ◆ Tuition is an annual fee based on the actual number of school days and does not include holidays or breaks. As a convenience, monthly payment options are offered. Monthly tuition fees are the same regardless of sick days, vacation days, holidays, or mandated temporary closures or periods of quarantine or isolation.
- ◆ Multi-child discount applies to families with two or more children enrolled FULL-TIME at any of our schools.
- ◆ No discounts other than those listed (on the reverse side) are available.
- ◆ When making a payment, the payment will first be applied to any outstanding balance on the account, and the remainder will then be applied to the current balance. Accounts with any outstanding balance will be assessed a late fee of \$25.
- ◆ Accounts that are not paid in full by the end of each month may result in the student being disenrolled. Report cards will be held until final payments are made.
- ◆ A service charge of \$30 will be assessed for each returned payment, such as an NSF check or NSF e-check. After two occurrences of returned payments, *only* cash, credit or money orders will be accepted for future payments.
- ◆ In the event of early withdrawal, tuition will be due through the last day of actual enrollment *plus* 10% of the annual tuition.
- ◆ The Technology Fee supports student devices, technical support, educational programs and software, and the infrastructure, and the Innovation Lab. It is billed in two equal payments of \$150 each, September 1 and January 1, for all K-8<sup>th</sup> grade students.

## DAY CARE

- ◆ Day Care programs for TK-8<sup>th</sup> second/additional children are discounted 50% when all siblings are enrolled in the same Day Care program.

- ◆ Payments for Day Care are due on the 1<sup>st</sup> of the month; late fees will apply.
