

CTE GRADUATION PATHWAYS

CTE Courses by Program Area 2025-2026

Students can meet Graduation Pathway requirements by completing a CTE course sequence and selecting the CTE Pathway in their High School and Beyond Plan.

To meet graduation requirements, the CTE course sequence must be 1) approved by OSPI; 2) earn at least 2.0 high school credits in one program area; and 3) include a course that is either a dual credit course (*) or would lead to an industry-recognized credential (all courses have an IRC option as of 2023).
