

# YEAR 11 UPDATE

DATE 13th February 2026

## Key dates next half term:

**Wednesday 25th February—Tuesday 10th March—mock exams**

**Wednesday 11th March—Flexible Learning Day**

**Thursday 26th March—Report issued**

## Trips

We have two Year 11 trips going out over February half term to Italy and New York. We hope that the students have a wonderful time and come back both rested and with some fantastic memories!

## Achievement Evening

Thanks to everyone to attended the Year 11 Achievement Evening in person. The slides are now on the Year 11 page of our website and students have been given revision booklets.

## Mock Exams

These are the main event once we get back after half term! Students have been issued a mock exam timetable; there is also a copy on the Year 11 page of our website.

Students are reminded to come with the correct equipment for each exam.

These mock exams are another good opportunity to practise key skills and learn where the gaps are. This is the final chance they have to make mistakes before the real thing!

Students have been issued with a mock revision timetable to support their preparation.

## Attendance—Every Day Matters!

We thank you with your support with your child's attendance; every day matters leading up to the mock exams and beyond.

## Celebrations

Hoodies can now be ordered directly from the School Leavers Company.

[2026 Leavers Hoodies & School Trip Hoodies | School Leavers Company](#) Scroll down to "Order your hoodie"

Username: 10222

Password: cFAz96TB

There are many colours to choose from; students can order a generic one or pay a bit more to have their nickname on the back.

Prom is booked for 25th June at Walton Hall. Letter to follow after half term.

The Yearbook will be launched with students after the mocks.

## GCSE Exam Dates

The formal written exams will start from 5th May. A reminder—students need to be able to take an exam until 24th June. Prom is the day afterwards!

Well done to anyone who has completed practical exams already!

## Sixth Form Interviews

These are now complete; well done to everyone who was given a place at our Sixth Form. If you are yet to apply but still want to, please see Mr Bonfield.

**Achieving Personal Best**
