\$150

(\$175 O.O.D.)

UNIVERSITY HILLS ELEMENTARY

600 CROYDON RD

9 AM - 12 PM (M-TH)

4 Days of Hands-On STEM Fun!

This indoor summer camp is designed for curious creators in **3rd-5th grade** and future innovators!

Students will rotate through 3 exciting working stations each day:

BUILDING STATION

Design, test, and improve creative engineering challenges!

CODING STATION

Bring ideas to life with beginner-friendly coding!

ENTREPRENEURSHIP STATION

Turn ideas into inventions!

Registration Opens March 1st!
