Agenda

1. Call to Order
2. Approval of Minutes -  2-10-26 Finance Subcommittee Minutes
3. Budget Review
 - a. Personnel - Evaluate proposed changes to staffing levels, including potential consolidations, reorganizations, or elimination of positions. Consider the impact on instructional programs, social-emotional support, and student services.
 - b. Revenue - Examine all current and projected revenue sources, including federal/state grants, revolving accounts, and other supplemental funds. Assess how these funds can be strategically allocated to support FY27 priorities
 - c. Operations
 - i. Maintenance Review: Assess the district's current maintenance needs, including facilities, infrastructure, and safety requirements. Identify areas requiring immediate attention versus long-term planning.
 - ii. Operational Needs: Review operational expenditures such as utilities, transportation, technology, and supplies. Consider opportunities for cost efficiencies or reallocation to support instructional and student-centered priorities.
4. Other Business
5. Adjournment
