Title I School-Level
Parent and Family Engagement Policy
Deanna Davenport Elementary
2025–2026

Deanna Davenport Elementary has developed a written Title I parental involvement policy with input from parents. The campus held a Parent and Family Engagement Compact Committee meeting to edit and revise the Deanna Davenport Elementary Parent and Family Engagement Policy and School Parent Compact. The policy and compact will be distributed during PAC Meetings and Parent Teacher Conferences. This policy describes the means for carrying out the following Title I parental involvement requirements.

Involvement of Parents in the Title I Program
To involve parents in the following Title I Program practices that have been established at Deanna Davenport Elementary.

The school convenes an annual meeting to inform parents about the Title I requirements and about the rights of parents to be involved in the Title I program.

• Parents are informed about the Title I program and entitlements through meetings held in person and/or virtually when available. To ensure maximum participation, notice of meetings will be sent home with students, announced via phone calls and posted on the school marquee to remind all parents about these important meetings and information.

The school offers a flexible number of meetings for Title I parents, such as two morning and two evening meetings.

• These meetings are held to inform parents about the Title I program components and entitlements.
• This semester, the meetings were held at 8:30 a.m. and 5:30 p.m., both in person and virtually.
• Meetings are conducted in both English and Spanish.

Deanna Davenport Elementary involves parents of Title I students in an organized, ongoing, and timely way for the purpose of planning, reviewing, and implementing the school's Title I programs, such as:

- Parental and Family Engagement Policy
- Parent Compact
- Campus Needs Assessments
- CIP Campus Improvement Plan
- RTI – Response to Intervention
- MTSS – Multi-Tiered Systems of Support
- LPAC – Language Proficiency Assessment Committee

The school provides parents of Title I students with timely information about the Title I Program by:

• Providing parents with information on state standards, assessments, and Title I requirements, as well as guidance on monitoring their child's progress and working effectively with educators. Information is provided by the parent teacher conferences, during grade reporting, on the

campus website, and through home communications (letters, phone calls, Seesaw, Google Classroom, Remind, and notices).

• Deanna Davenport Elementary School provides PAC Meetings to help parents support their children's academic growth and social-emotional well-being.

• Deanna Davenport Elementary communicates regularly with parents in clear and understandable terms. This includes opportunities for parents to participate in decision-making roles, volunteer opportunities, district annual surveys, the development of the Parent-School Compact, and participation in parent-teacher conferences. Parent-teacher conferences may be scheduled at any time upon request. The Campus Improvement Plan is reviewed and approved by the CIC with parent representatives, and any parent comments on the plan will be submitted when the campus makes the plan available.

• Deanna Davenport Elementary coordinates parent involvement activities in conjunction with other initiatives including, but not limited to, adult classes for parents (Parent Universities), Preventing Violence at Home training, Flu Shot Clinics, and Texas Tech- Better Living for Texans program.
