# Greg Williams "The Ceramic" Memorial Scholarship 2026

To honor our dad, Greg Williams, we are offering a scholarship this year to a graduating senior softball player. The MVL had the pleasure of having our dad as a softball coach for over two decades. In those two decades, he impacted not only his team, but also the players of other MVL teams and their coaches. The MVL's coaches and players have supported us during these hard times, so it is only fitting that we give back to the MVL. Our dad was very passionate about education and athletics and believed that people should be rewarded for their hard work and dedication. To ensure that our dad continues to reward those student athletes for their hard work, we will be offering a monetary scholarship to one senior softball player.

We are offering **a one-time $500.00 scholarship** to one senior who meets the following criteria:

1. Be a high school senior graduating in 2026
2. Complete application
3. Attending a two or four year college for Fall of 2026
4. Must have a GPA of 2.5 or higher
5. Must have played three full seasons of softball at the high school level
6. Must write a 250 word essay about the topic below
    a. "Softball is a game of repetition, resilience, and trust in the team behind you. Describe a moment in your softball career that challenged you mentally or emotionally more than it did physically. How did you respond, what did you learn, and how will that experience shape the way you approach college athletics and/or academics?"

Recipients will be chosen after applications and essays have been reviewed. The selected senior will need to provide proof of acceptance into a college or university and a fall semester/quarter schedule before receiving the monetary scholarship.
