Course and Diploma Type Information

Scan the QR code to go to the Class of 2030 webpage where you will find the 2026-2027 AHS Program of Studies and information about Indiana Diploma Types. Course descriptions and videos from each AHS department highlighting courses open to the Class of 2030 are also available.

Graduation Pathways
Students who do not complete a Seal will follow Graduation Pathways state of Indiana requirements. Scan to learn more.

Course Selection Directions:
The chart on the back of this page is a visual for the approval of class space available in the freshman schedule. As courses are selected, please write that class in the appropriate spot(s) depending on whether the course is a semester or full year course. Full year courses have 2 numbers next to the course title, and semester courses only have 1 number next to the course title. Please note: This chart does not represent what the actual schedule or order of classes will be.

Courses with an * are part of a Graduation Pathways CTE concentrator, but courses may also be taken as an elective. See Program of Studies for more information.

**** PLEASE NOTE:** Health must be taken either the 9th or 10th grade year.

If you have taken PE II in middle school, your PE requirement is pre-satisfied. If a student is participating in a school sport or other approved activity (Marching Band, Dance Team, etc.), a PE Waiver is available. The PE Waiver should be pre-satisfied by the end of the sophomore year. Visit the School Counseling Department website and click on "Records and Forms" to find information for the PE Waiver Process.

Counseling Department Information
School counselors are assigned based on student's last name. Scan the QR code to explore the AHS School Counseling Department website.
