Please note that your child's assigned school site may change as a result of redistricting. Verify your child's home school site by visiting <https://portal.metrostudygis.com/arcgis/apps/webappviewer/index.html?id=fdocdc70ba3243c0bd211d1940a1cfb2>. This can also be found on our district webpage at <https://www.cnpschools.org>. Simply click on your home address, and the assigned school name will appear. As the redistricting process continues, it is important that families confirm their child's correct home school site.

Parents wishing to apply for an in-district transfer must apply online. An email will be sent to families when the portal is open. Transfers are processed on a first come basis. State law allows students transfers in good standing to remain on their transfer.

Thank you for your time, cooperation, and partnership as we work together to prepare for the coming school year. We appreciate your support as we navigate these changes and remain committed to serving your family.

Forms must be returned by: March 12, 2026.

The Demographic Review must be completed for currently enrolled and returning students for the 26-27 school year. The Demographic Review will be available in the parent portal starting on July 27, 2026. You will need to know how to log into your PowerSchool Parent Portal account to complete enrollment for next year. If you need help with your parent account please call your child's school office or email pssoproblems@cnpschools.org.
