

Welcome to The Shop!

The Digital Animation Department at East Valley Institute of Technology proudly offers 3D printing services to students and the community. Our print shop provides students with hands-on experience in a real-world manufacturing environment, where they work directly with clients while developing skills in customer service and entrepreneurship.

We offer a variety of preselected 3D prints at affordable prices, along with custom orders and limited-edition prints for special occasions. Whether you're searching for a unique gift or need a custom-designed item, our team is ready to help bring your ideas to life.
