## KINDERGARTEN NEWS

On January 28th, we celebrated the 100th day of school by bringing in projects that featured 100 items. No two projects were alike, and every project was very creative. Well done, kinders!

In February, we will be participating in a kindness lesson provided by our student support center, enjoying a visit from the Folsom Zoo, and celebrating Valentine's Day.

In March, we are looking forward to a visit from the Sacramento library and for St. Patrick's Day, each student will be tasked with creating a trap to catch a leprechaun.

In April, SMUD will come and do a human circuit presentation for each of our kindergarten classes.

## K/1 MRS. BULL'S CLASS

Exciting things are happening in Mrs. Bull's K/1 class for students with Autism! Students are following multi-step directions to create crafts that pair with stories and learning themes. We have been reading Fairy Tales in January, including The Three Billy Goats Gruff and The Three Little Pigs. In February, we will dive into stories about emotions, just in time for Valentines' Day! If you want to read along with us, we you can find The Very Cranky Bear and The Worrysaurus read aloud on youtube. Additionally, students are working hard to learn colors, shapes, patterns, and numbers 1-20!

## PARKING LOT

The staff parking lot is for loading and unloading only. Parking in the bus lane or fire lane is prohibited by law and creates a serious safety concern for our students, especially those who ride the school buses.

This is particularly problematic during TK/Kindergarten pick-up, but it also occurs before school. These actions prevent buses from moving safely and put students at risk.

To help keep all students safe, families must remain in their cars for quick drop-offs and pick-ups. If you are unable to do so, please park on the street and walk in. Parents may not park or wait in the staff lot, bus lane, or fire lane at any time. We appreciate your cooperation and support in keeping our campus safe for all students.
