

UHS Discipline Flowchart

Observe problem behavior

Is the behavior classroom managed or office managed?

Office Managed Behavior

Complete an Administrative Discipline Referral and send student to Student Services.

Contact parent.

Discipline Director determines intervention and/or consequences.

Discipline Director contacts parents regarding student's consequences and provides feedback to teacher.

Student will return to class with a pass

Classroom Managed Behavior

Use at least three classroom interventions which may include:

- Redirection
- One-on-one conferencing
- Proximity control
- Move Seat
- Praise 3
- Planned ignoring

Complete Teacher Intervention Form (TIF) and enter information into Aeries in the Intervention Screen and contact parent.

After 3 or more TIF entries in a quarter...

- Complete Administrative Discipline Referral and send student down to Student Services during a non-instructional time.
- Director will determine intervention and send student back to class with a pass.
- If requesting a 1 or 2 day class suspension, complete Administrative Discipline Referral and send student to Student Services.
- Contact parent and schedule Post-Suspension Conference before the student returns to class.
