Next Steps

Budget Development Alignment

- Align budget planning with student needs, enrollment trends and community conditions
- Find opportunities for efficiency while meeting levy expectations
- Thoughtful expense management

Accountability & Transparency

- Provide regular updates on levy fund use
- Share clear, accurate information with families and community
- Present updates at School Board meetings and through district communications

Community Engagement

- Recommend hosting annual levy update informational session
- Partner with PTAs and community organizations
- Promote open dialogue and thoughtful questions
