Apple Day was filled with a variety of apples and apple dishes

Throughout October, we celebrated the flavors of the season with special days dedicated to two favorites — apples and chocolate!

National Chocolate Day we offered double chocolate whole grain muffins for breakfast and our A la carte selection was a chocolate lovers dream

Halloween at Wissahickon was full of spooky fun! Breakfast featured “Spider Web” Dutch waffles and Pull-A-Part Donuts, while lunch brought out the crowd favorite — Mummy Dogs! The kids loved the festive decorations and all the themed treats.

Numbers across the cafeteria

	Budget	Actual
Breakfast	19,184	22,006
Lunch	48,312	47,302
Ala-Carte	\$111,227	\$112,141

Mrs. Ruth's lunches at Wissahickon Middle School are always a hit! She takes pride in making sure her food looks amazing and tastes even better — and the strong sales show just how much everyone enjoys her cooking.

National School Lunch Week

October 13-17 | Taste the World: Your School Lunch Passport!

The National School Lunch Program (NSLP) serves nearly 30 million children every school day. President John F. Kennedy created National School Lunch Week (NSLW) in 1962 to promote the importance of a healthy school lunch in a child's life and the impact it has inside and outside of the classroom.

The 2025 NSLW theme is **Taste the World: Your School Lunch Passport!**

France: Montecristo Grilled Cheese

Mexico: Fresh Pineapple Salsa

Italy: Tortellini Alfredo with Roasted Broccoli Rabe

Sustainability

Small changes, huge impact.

TNG cares. We care not only about our people and customers, but also about the world. We strive to trail-blaze sustainability initiatives within our organization and partner with our clients to achieve the level of purpose each has set in their specific, eco-friendly goals. We have new programs to educate students in all grades to be mindful of their choices and the impact on the environment.

More Taste, Less Waste

The high school program, *More Taste, Less Waste* promotes responsible decision-making to minimize waste. It emphasizes actionable steps while also addressing complex topics, including global warming and the impact of food production.

Reducing Our Carbon Footprint

Planet Pals

The *Planet Pals* elementary program encourages students to make thoughtful choices through simple, actionable steps. As part of this initiative, students can sign the *Plate Pledge* to commit to reducing waste.

Free Meals. Fun Foods. Healthy Habits.

NUTRITION FOR LIFE IS HERE FOR YOUR STUDENTS.

The Nutrition for Life program was developed to help younger students explore the cafeteria and the yummy choices we have. Plus, we want them to feel comfortable when they do participate in breakfast or lunch.

- Students will be able to try a complimentary breakfast and lunch meal on specified days.
- Our friendly staff will help children learn to choose nutritious options in our cafeteria.
- We'll have a variety of kid-friendly favorites and tasty new foods to sample.
- This program targets CEP schools too encouraging students to participate in free school meals the whole year through.

No RSVP is necessary. Just talk to your students about Nutrition for Life and encourage them to attend each day.
