Dear Parent/Guardian:

This letter provides important information regarding the 2026-27 course registration process at The Academy at Lincoln. The resources and information below will help guide decisions about your child's course requests and help them reach the next stage of academic progress.

You may find information about our school's registration process on The Academy at Lincoln's website. A link to the online version of the middle and high registration books can be accessed by clicking https://gcsnc.com/counseling. The registration book contains information about the multitude of choices in GCS and is designed to help you and your child make the best choices for middle/high school education and post-secondary opportunities.

Your student will register for course requests using the online course registration in Infinite Campus (IC) during their academic advisement meeting with their school counselor. Student advisement meetings will be held between **February 2, 2026 – March 27, 2026**.

Once student advisement meetings are complete you will be notified via voicemail message or a letter home that schedules are ready for approval. Parents will review and approve selections in Infinite Campus under Campus Passport. If you do not have an Infinite Campus account please use this web address (https://www.gcsnc.com/families/technology/campus-parent) to create an account. If you have a request for a change or need other support, please contact the school counselor. Our goal is to ensure the selections are appropriate and that students are on a path to achieving their long-term goals.

Students will receive a copy of their course requests for the 2026-27 school year. Please take time to review and discuss your child's course selections. We encourage students to take advantage of rigorous coursework as GCS is proud to offer courses and programs that will prepare students for educational and career opportunities after high school. A confirmed schedule will be available in August.

Sincerely,

Chaundra Norman Rogers
Principal
The Academy at Lincoln
