Academic Challenge

East students took over 750 AP exams in 2024, with 22% of students participating. The school offers a robust AP catalog—including AP Seminar, AP African American Studies and AP Chemistry—to prepare students for college-level academics.

Early College & Career Options

East offers 13 dual enrollment courses and is home to Early College STEM, Biomedical and Networking Academies. These programs connect students with career pathways in medicine, technology and engineering—all while earning college credit.

Support for Multilingual Learners

With 33% of students identified as English Learners and instruction available through Dual Language Immersion (DLI), East supports language development and celebrates cultural heritage. Multilingual students thrive in inclusive classrooms and graduate with globally relevant skills.

Community Connections

East integrates community-based learning through its Personalized Academy and experiential opportunities like service learning. Students are encouraged to see themselves as future leaders.

Co-Curriculars & Student Success

East offers a wealth of co-curricular opportunities—from championship athletics in the WIAA Big Eight Conference to thriving programs in music, theater, and leadership. Students grow as scholars and leaders through activities like student council, AVID and service learning. East's commitment to excellence and equity is reflected in academic achievement and extracurricular success. Whether winning at state-level speech competitions or launching their own socially-driven businesses, East students are empowered to lead with confidence and purpose.

Madison Metropolitan School District

(MMSD) is the place where your child will truly thrive. We welcome all children and foster a strong sense of belonging, ensuring every student feels valued and supported.

At MMSD, we believe in exploring a wide range of interests and providing opportunities that help students discover their passions, talents and unique potential. From arts to sciences, technology to sports, there's something for every child to explore and grow!

We're proud to have the support of our community, with newly renovated high schools, a new elementary school and 10 new buildings coming soon. These modern spaces create an environment for future-ready opportunities that will set your child up for success!
