Midterms

Midterms are being sent home with students today. If you do not receive your students' midterm, you can check their grades in Infinite Campus or request a new copy from the guidance office.

Kenton County School District Takes Additional Steps to Become Heart Safe

The Kenton County School District is proud to announce new initiatives to further ensure the safety and well-being of our students, staff, and visitors. As part of our ongoing commitment to health and safety—and in addition to our existing athletic emergency AED drills and simulations—we are implementing required CPR/AED drills during the school day at all schools across the district. These drills are designed to increase awareness, build confidence, and ensure that our school communities are prepared to respond quickly and effectively in the event of a cardiac emergency.

By practicing life-saving procedures, we are taking proactive steps toward becoming a more heart-safe district. We sincerely thank our families and community members for their continued support as we work together to prioritize the health and safety of every individual in our schools.

Student Council Service Project

Our Student Council will be completing a year-long service project. Please click on the link to find out more information.
