

2025-2026 TMSA Concord FALL AFTER SCHOOL CLUBS

Name of Club	Grade	Day	Club Description
Lighthouse Club	Multi	M	In this club, I will be training student leaders for School-wide leadership roles such as morning announcements, school tours for prospective families, student led programs such as award programs and any other student leadership roles as the needs arises. We will be practicing public speaking skills and strategies by working on pronunciation and enunciation. We are working towards having our scholars model leadership and this is a great way for them to practice and model what true leadership means.
CoderZ (Coding Club)	Multi	M/Th	Elementary CoderZ Club We are excited to offer a Coding (CoderZ) Club for our elementary students! In this club, students will: Learn coding and problem-solving in a fun and interactive way. Work together in teams to complete challenges and projects. Participate in exciting coding competitions designed for young learners. Build creativity, confidence, and teamwork skills through coding activities. Some competitions students may enjoy include FIRST LEGO League Explore, Hour of Code, CoderZ League, and Code Monster. Our goal is to give students a safe, engaging, and supportive environment to explore coding and have fun while learning!
Spelling Bee	K-5	M	Students will practice to compete in the schoolwide Spelling Bee and if they qualify, one winner and one runner up will go on to compete for a chance to win State Champion!
Yogi Cubs Yoga	K-2	M	Welcome to our Yogi Cubs Club! This afterschool program offers students a fun and relaxing way to unwind, stretch, and strengthen their bodies through age-appropriate yoga activities. Each session will include simple yoga poses, breathing exercises, mindfulness games, and relaxation techniques designed to support focus, flexibility, and emotional well-being. No prior experience is needed—just a willingness to move, breathe, and have fun! Yoga mats will be provided.
Disney Sing Along Club	1-5	M	"Love to sing? Join our Karaoke Club! Whether you're a shower singer, stage star, or just want to cheer on friends, this is the place for you. Come have fun, pick your favorite songs, and let your voice shine!"

2025-2026 TMSA Concord FALL AFTER SCHOOL CLUBS

Name of Club	Grade	Day	Club Description
Lego Club	2-5	M	Join us after school for LEGO Builders Club, where creativity and imagination come to life! Students will work together and independently to design, build, and problem-solve using LEGO bricks. Each week will feature fun challenges, teamwork activities, and time for free building. This club is the perfect place for young engineers to explore new ideas, practice collaboration, and bring their creations to life—one brick at a time!
Kids Drawing Club	2-5	M	Love to draw? Come join the Kids Drawing Club! Whether you like doodling cartoons, sketching animals, or creating your own characters, this is the place for young artists to have fun and be creative. We'll try new art styles, share our work, and learn cool drawing tips along the way. All skill levels are welcome—just bring your imagination!
The Artful Lions	K-5	M	Lions show their pride through creativity! This club gives students a chance to color, draw, and share their artistic talents in a fun community.
Dance Club	K-5	M/Sat	Students will learn various dance techniques through many genres of dance. Students will participate in multiple performances in and outside of school throughout the school year.
Battle of the Books	3-5	M	Battle of the Books is an exciting reading competition that challenges students to showcase their knowledge of a diverse selection of books. Teams from schools across the district read, discuss, and compete in quiz-style matches to test their comprehension and recall.
Science Olympiad Division A	1-5	TBD	Science Olympiad will focus on the NC State Science Olympiad program with the mission to prepare students entering science, technology, Engineering and Mathematics degrees and careers in NC. Students are prepared for interscholastic state tournaments and competitions based on inquiry-based experiments in different fields of science (Biology, Chemistry, Earth Science).
STAR League Math Olympiad	3-5	Sat	The aim of this club is to prepare its members for different national and international math competitions such as American Math Competition (AMC), America Invitational Math Competition (AIME), The United States of America Mathematical Olympiad (USAMO), The United States of America Junior Mathematical Olympiad, and the International Math Olympiad (IMO).

2025-2026 TMSA Concord FALL AFTER SCHOOL CLUBS

Name of Club	Grade	Day	Club Description
Chess Club	2-5	M	Chess is a two-player strategy game that has been played for centuries. It is a game of skill, logic, and planning, where each player aims to checkmate the opponent's king. Played on an 8x8 board with 16 pieces per side, chess offers numerous benefits. It enhances critical thinking, problem-solving, and decision-making abilities. It also improves concentration, memory, and creativity. By playing chess, students learn patience, strategic planning, and how to face challenges with confidence. Whether you're a beginner or an advanced player, chess is a great way to develop your mind while having fun.
Leaders in Action	3-5	T/Th	Leaders in Action is a leadership club in which students receive social, emotional and academic support. Students will gain knowledge of the essential traits and behaviors of effective leaders in this club, as well as the abilities and self-assurance to assume leadership roles and have a beneficial influence on their communities, personal lives, and future careers.
Math Club	4-5	M	Students will have fun exploring challenging and fun math topics. They will learn to solve math problems through teamwork and gameplay. They may receive help with homework during this club, as well.
Safety Patrol	4-5	M	Student leaders will be trained by AAA standards to help safely organize their peers during dismissal and arrival. Students leaders will wear official belts and badges and receive training to serve as role models and educate their peers on safe practices. Students may sign up and then go through the application process to be selected.
Sports	4-5	M-F	Students will learn the basic fundamentals of sports such as soccer, basketball, flag football, and cheer. Students may participate in intramural contests between campuses as well as amongst themselves by organizing into teams. Some events may take place on Saturdays. If you are interested in one or more of these sports, sign up to receive more information from the coaches. Go Lions!
Murals Club	4-5	M	Our Home Economics Club is a fun way for kids in grades 2-5 to learn basic life skills like cooking simple snacks, sewing, and budgeting. It's all about helping them build confidence, work together, and pick up useful skills they can use every day. We keep things hands-on and fun!

2025-2026 TMSA Concord FALL AFTER SCHOOL CLUBS

Name of Club	Grade	Day	Club Description
Choir	K-5	T/Th	Do you have a child who loves to sing? Our Choir club is the perfect opportunity for young voices to shine! Students will learn proper singing techniques, explore a variety of songs, and build confidence while performing together as a team. The choir also teaches important skills such as listening, collaboration, and self-expression in a fun and supportive environment.
