**The Lake Orion Community Schools** Enrichment Services department is essential in providing enriching experiences that enhance our students' education and personal development. By offering a wide array of programs—ranging from arts and sciences to athletics and leadership—this department nurtures students' interests and talents, helping them to thrive both academically and socially. Registering for programs in this catalog not only allows students to explore new passions and develop essential skills, but it also fosters a sense of community and collaboration among peers. By participating, families contribute to a vibrant learning environment that benefits everyone, making Lake Orion a place where every student can grow, connect, and succeed. We encourage you to explore the offerings and take part in these valuable opportunities!

**DANCE**

Lake Orion Enrichment Services in cooperation with STARZ Performing Arts offers recreational children's dance lessons. Each session includes a costume. There are three sessions: fall, winter, and spring. Each session will conclude with an informal recital. Yearlong students in the program receive a trophy in May (must complete Fall, Both Winter Mini Sessions, and Spring session). The spring recital theme will be "Dance and Music Legends" and will be held Friday, May 22, 2026 at 6 pm at CERC Stage. In the event of a snow day, make-ups will be held outside regular schedule.

## ART

### Crayola® Legends & Lore Camp: Tales

Let your child step into a legendary world - where imagination runs wild and mythical creatures come to life! From soaring firebirds to mysterious ocean beings from ancient tales, campers dive into unforgettable stories and turn them into bold, hands-on creations using Crayola® materials. Stories spark the day with a powerful tale, followed by sculpting, building, or painting a one-of-a-kind creature. Kids grow their storytelling skills, build real confidence, and bring big ideas to life - with projects they'll race to show you the moment they get home. Our friendly, trained instructors know how to keep kids engaged and excited as their ideas take shape. Every day brings a new story, with all materials included and no experience required - just imagination, big ideas, and a space to shine. For more information, visit [detroit.imagineartacademy.com](http://detroit.imagineartacademy.com) or call us at 844-ART-KIDS!

*Grades K through 6. Classes meet 5 times  
LOHS Staff Lounge.*

### Crayola® Legends & Lore Camp: Fables

Unlock a bold creative quest - where towering snow legends, ancient guardians, and playful folk creatures spark wild ideas that kids can't wait to bring to life! Campers experiment with different materials and techniques to create expressive, story-driven works using Crayola® supplies. Along the way, they'll share stories, laugh together, make new friends and walk a little taller because they made something uniquely their own. Our amazing instructors keep the energy high and the atmosphere encouraging, making sure kids stay engaged and excited to try new things. All supplies are provided. No experience needed - just imagination and a chance to create something special. For more information, visit [detroit.imagineartacademy.com](http://detroit.imagineartacademy.com) or call us at 844-ART-KIDS!

## SPECIAL INTEREST

### {YEL} Coding & Video Games

STEM Video Game Enrichment for the 21st Century learner. Each {YEL!} Coding class follows three basic components: •Teach It!...Students learn different video game and storytelling design techniques (movement blocks, control blocks, basic animation, adding scores, etc.) •Code It!... Students use Scratch® to code their own story and video games. •Explore It!...Students can write their own story and video game code, experiment with it and test new options. Our collaborative learning environment encourages students to learn from each other. Scratch® is an MIT created and monitored, kid-safe web interface. It uses a drag and drop programming interface to teach students of all levels coding practices.

## Speed and Agility Training with Coach Dawood

The Speed, Agility, and Quickness program is offered to anyone who has the desire to improve their linear, lateral and vertical movements. One of the most obvious assets for any individual or athlete is the ability to run or move fast. Running is a learned skill just like throwing, catching, kicking, hitting or shooting a ball. Since running is a learned skill, it can be practiced and improved. Everyone can improve speed and dynamic athleticism through Speed and Agility Training. If you want to get more out of your game, no matter what the game is, this Speed and Agility camp is for you.

SPECIAL INTEREST

Estate Planning 101

Everyone should have an estate plan. Do you know what will happen to your family and your assets after you die? If not, you don't want to miss this program brought to you by attorney Michelle McRee of McRee Law, PLLC. If you die without an estate plan, your family will be subjected to the long, expensive and stressful probate process and at the end the state says who gets what from your estate. Even worse, if you have minor children a judge will decide who will raise them. Learn everything you should know about wills, trusts, powers of attorney and guardian nominations and how you can avoid the pitfalls of probate.

Class meets one time in CERC 304.

### Instant Piano/Guitar for Hopelessly Busy People, Ages 13 and up - VIRTUAL CLASSES

In just a few hours, you can learn enough secrets of the trade to give you years of musical enjoyment. Learn to play piano or guitar the way professionals do—using chords. These classes are being held online with ZOOM so you will be able to sit at your piano or keyboard at home and take this course with no pressure at all. And since this course includes an online book and online follow up video lessons, you will be able to continue your practice and study on your own. An optional periodic online question and answer session is also included. A recording of the class is included as well. The course is partly lecture/demonstration and partly hands on instruction.

#### Instant Piano

Topics include: how chords work in a song, how to get more out of sheet music by reading less of it, how to form the three main types of chords, how to handle different keys and time signatures, how to avoid “counting,” and how to simplify over 12,000 complex chords.

### Keep Talking: An Introduction to Professional Voice Over - Live Webinar

From audio books to advertisements and beyond, we encounter recorded voices everywhere! In this one-night, live online class, your instructor will take you behind-the-scenes in the voice over field for a fun and realistic look at how the voice over field really works. You will gain inside perspective on developing skills, and how to leverage your voice's strengths and interests, and more. Because this class is live, you will have the opportunity to ask questions. Additionally, there will be a chance for a one-on-one script read with the instructor at the end of the class.

### Natural Remedies for Stressed Pets

Has your pet experienced trauma? Do they panic during thunderstorms or fireworks? Is your pet overly needy, shy, territorial, aggressive, impatient, or easily overstimulated? Do they bark or meow excessively, or scratch, lick, or groom themselves nonstop? Do they struggle with chronic skin issues or constipation? Animals have emotions too; they can experience fear, anger, jealousy, depression, happiness, and joy. In this class, you'll learn how Bach Flower Remedies can gently support your pet's emotional well-being. These natural remedies work with subtle energetic vibrations to help restore emotional balance and promote calm, confidence, and comfort in your pet.
