During the month of February we will focus on Be Well: Honesty for our classroom counseling lessons.

Calm & Strong Kids Tip:

I am STRONG

I am KIND

Practicing positive affirmations is more than just "wishful thinking"; it is a science-backed tool that utilizes neuroplasticity to rewire the brain by forming new neural pathways. For the most "strong and calm" impact, try the "Breath-Affirmation" technique: Inhale while thinking "I am," then exhale while thinking your chosen quality (e.g., "at peace").

HONESTY Family Newsletter

PurposeFull People

Honesty Overview

This month's focus is Honesty. One way to think about Honesty is "being truthful in what you say and do." Practicing Honesty helps strengthen our relationships and even reduces stress.

Honesty is 1 of 3 traits we will focus on throughout the year that helps students Be Well. Across grade levels, students will be developing skills like emotion regulation, positive self-talk, and stress-management.

Conversation Starters

- Can you share or show what it means to practice Honesty?
- What is 1 way you can be more Honest with others?

PurposeFull Pursuits

Have some fun connecting as a family this month while practicing Honesty. Here are 2 "PurposeFull Pursuits" you can complete together!

- #1** Review Honesty as a family! Honesty is being truthful in what you say and do. Discuss the importance of being Honest and work together to create a family Honesty pledge. Create and decorate a sign together that explains what Honesty means in your family. Have each family member sign the pledge and choose a spot to display it. Refer back to the pledge as a reminder to be Honest and to celebrate when Honesty is practiced!

- #2** Set aside some time to gather as a family and check in with each other. Ask each family member, "How are you feeling today?" Practice Honesty when responding and listen carefully as each family member shares. Use the emotion check-in questions to learn more. Challenge yourselves to check in with each other on a regular basis!

Emotion Check-In Questions:

- Tell me more about that feeling.
- Why do you think you are feeling that emotion?
- What do you need right now?

RANDOM ACTS OF KINDNESS WEEK

February 16-20, 2026

PEARLAND ISD COUNSELING & GUIDANCE SERVICES DEPARTMENT

- Monday: Kindness to Self**
Activity: Write one positive affirmation about yourself.
Goal: Always be kind to yourself.
- Tuesday: Kindness Cards**
Activity: Have students create "Kindness Cards" where they can write a message or draw a picture that will brighten someone's day. These cards can be given to classmates, teachers, or even custodians or cafeteria staff.
Goal: Teach students how small gestures can make a big difference.
- Wednesday: Help a Friend**
Activity: Challenge students to help a friend with a task, whether it's carrying something heavy, organizing a desk, or assisting with a class activity.
Goal: Encourage cooperation and teamwork in the classroom.
- Thursday: Compliment Day**
Activity: Have students write anonymous compliments for their classmates on sticky notes or small pieces of paper. Later, randomly distribute the compliments so each student receives one.
Goal: Encourage positive words and boost self-esteem among students.
- Friday: Kindness Chain**
Activity: Each student writes or draws one kind act they've done or plan to do on a strip of paper. Link the strips together to create a Kindness Chain that grows throughout the week.
Goal: Encourage students to share and celebrate acts of kindness by creating a growing Kindness Chain.
