School Day Reminder – Monday, February 16

Reminder that **Monday, February 16** is the holiday of **Presidents Day**.

👉 **All Emmett School District schools ARE IN SESSION.**

This **is a regular school day** for all ESD students.

📅 **Why is school in session?**

Similar to other districts with a **4-day school week**, some national holidays—such as **MLK Day** and **Presidents Day**—are observed on **Fridays** that already fall within our regular Fridays-off schedule.

🔗 **Want to see the full calendar?**

Check out the **2025–2026 School Calendar** at the link below.

2025-2026 School Calendar

💙 We'll see all students and staff **Monday morning** as we kick off our regular 4-day week!

Legislative Update: What It Could Mean for Our Schools

The Idaho Legislature is currently in session, and we are closely monitoring potential impacts on education. As you may have seen in the news, school funding is a major topic of discussion this year. Any reductions to the state education budget would directly affect our district, and we are actively reviewing possible adjustments so we can continue providing strong programs and support for our students.

School funding and budget planning are regular topics at our monthly School Board meetings. Parents and community members are always welcome and encouraged to attend to stay informed and hear about the options being considered. Our next regular school board meeting is **Monday, February 16 at 6:00 PM at the Butte View Complex boardroom.**

While we remain hopeful that the legislature will provide the funding needed for school operations, we are also working proactively and thoughtfully to prepare for different scenarios — always with the goal of continuing to serve students and families as effectively as possible.

Survey Update!

Thank you to all parents, students, and staff who took the time in December to complete our school and district surveys. Your feedback is very valuable and plays a direct role in shaping decisions across our schools. We carefully reviewed the data and comments, and we are actively

applying what we learned as part of our ongoing commitment to continuous improvement.

One example comes from **Emmett High School**, where several parents shared that they missed seeing school announcements and wanted clearer communication about school activities. In response, the high school has begun:

- Sending weekly announcements through ParentSquare
- Posting a "Week at a Glance" outlining upcoming activities and events

Our goal is to make it easier for families to stay informed, involved, and connected to what's happening at school.

We look forward to implementing additional positive changes across all of our schools as a result of your input. We value your voices and appreciate your partnership as we continue working to better serve our students and families.

ESD Principal for a Day 2026!

Emmett School District is excited to host our fifth annual **"Principal for a Day"** event on Wednesday, March 4, from 9:00 am to 12:00 pm.

You're Invited!

Our Principal for a Day event is a unique opportunity for community members to step into the shoes of school leaders, gaining an insider's perspective on the daily operations of our schools. The primary objective is to foster stronger partnerships between the community and our local educational institutions. Parents, grandparents, business owners, community members — anyone is welcome to join us!

 **What to Expect:** As a participant as a Principal for a Day, you will learn about the daily operations of our schools directly from principals and administrators, as well as visit with teachers and students to gain even more insight! Idaho Student Transportation Supervisor Winter Workshop

Transportation leaders from across the state gathered in Idaho Falls for the Idaho Student Transportation Supervisor Winter Workshop, hosted by the Idaho Department of Education Transportation Department under the direction of Debbie Critchfield.

Over two full days (January 22–23), Transportation Supervisors and Directors from school districts statewide participated in professional learning focused on:

- Student Safety Best Practices
- School Bus Student Management
- Idaho Law & Stop-Arm Violations
- Unlawful Passenger Boarding Procedures
- School Bus Maintenance Requirements

We're proud to share that our own transportation director, Ben Bennett, presented a session on effective student management techniques, and it was very well received! Even better—those strategies are working right here at home, with ZERO bus suspensions so far this school year!

Below, you can see the excitement and engagement from one of the sessions!

We are thankful for strong training, strong leadership, and a continued commitment to keeping our ESD students safe, supported, and moving forward every day!

GCEA Cheer Baskets: A District-Wide Effort of Love & Support

We want to share an update — and a huge THANK YOU — to our school community! Many of you participated in the food drives before Christmas. This is what those efforts went toward!

This year's GCEA Cheer Baskets were a tremendous success, providing food and gifts for **27 families** in our community. This long-standing tradition has been spreading kindness for over 40 years, with roots dating back to 1979 (and possibly even earlier!).

🌟 How the Magic Happened 🌟

While we call them GCEA Cheer Baskets, this effort truly reflects the power of an entire community coming together:

💛 A Whole Community Effort

- City officers, county officers, and local leaders helped collect food and transport it to a central location
- Shadow Butte Student Council & Leadership Team (4th & 5th graders!) stayed after school to pre-pack food boxes
- NHS students stepped in to pack and load gifts for delivery
- Retired teachers donated potatoes and helped with packing and distribution
- Donations supported the purchase of hams, oranges, and other food items
- Families, staff, students, and organizations across the district adopted families, providing wrapped gifts delivered alongside the food
- Numerous school and community clubs contributed, and food drives were hosted across our schools

🎤 Special Shout-Out

A special thank you to Odin Barrus, a Shadow Butte Student Council member, who sat down for a quick interview about his role and the impact of Cheer Baskets. His interview is featured in the video highlighting this year's amazing collaborative effort!

💬 Helping Families in Need

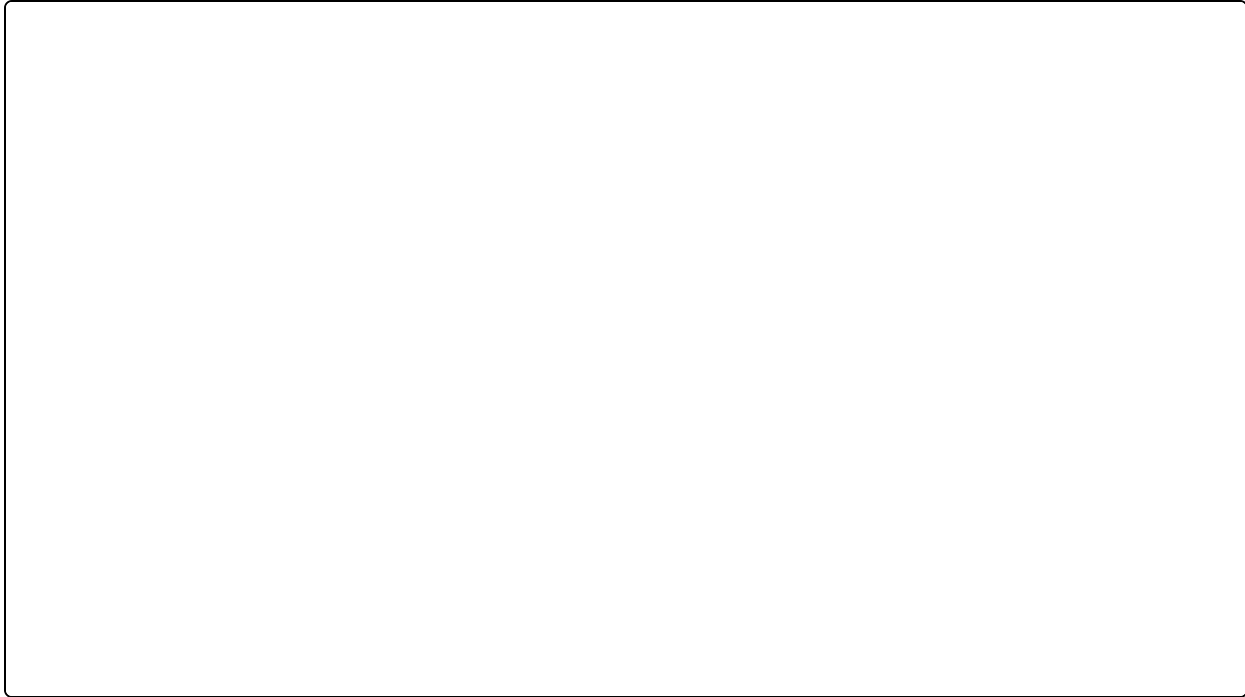

GCEA Cheer Basket organizer and 1st-grade teacher Heidee Browne shared:

"We are so thankful for the amazing committee that worked countless hours to make it all happen. We are deeply grateful for the partnership with our district. We have a beautiful team with taking care of our kids as our focus."

💛 We are deeply grateful for our community's generosity, time, and heart. Thank you for helping bring hope and joy to families who needed it most.

☀️ **Looking Ahead:** Christmas 2026 will mark the **45th year** of GCEA Cheer Baskets — a true testament to the power of community.

Thank you for being part of this beautiful tradition! 💙

Congrats! EMS 8th grad VFW Patriots Pen Winners!

We are incredibly proud of our talented Emmett Middle School 8th-grade students who participated in the annual VFW Patriot's Pen Essay Contest! This year's prompt asked students:

"How are you showing patriotism and support for our country?"

🏆 Emmett VFW Post Winners

- 🥉 3rd Place: Tristan Orr

On January 17, Crosby stood before the VFW Mid-Winter Conference to receive her award and read her winning essay — earning a standing ovation! She will now represent Idaho as her essay advances to the national competition. What an incredible accomplishment!

🍏 We also want to recognize Mrs. Jen McConnell, Emmett Middle School Social Studies teacher, who has been named the VFW Idaho State Middle School Teacher of the Year for her dedication to teaching citizenship and history with passion and heart.

Huskie Heart - Carberry PTO

We want to give a HUGE shout-out and thank you to the Carberry PTO, and especially Carberry moms Ali Ferguson and Sarah Johnson!

At the end of January, they surprised our staff with a "Sunshine Cart"—and it couldn't have come at a better time. Every teacher knows January feels about 200 days long F, and this thoughtful pick-me-up was just what the staff needed!

They went room-to-room visiting all Carberry staff with a cart full of delicious sweet & savory snacks or and drinks for both caffeine lovers and non-caffeine lovers. It was the perfect way to end the week and brought smiles to everyone's faces!

This is a true example of Huskie Heart—going above and beyond to make someone else's day brighter. A hardworking PTO treating a hardworking Carberry staff!

Thank you for your kindness, generosity, and support—you are appreciated more than yomple request for shampoo and conditioner turns into an overflowing collection of thoughtful essentials.

Gift cards, clothing, jeans, boots — so many wishes fulfilled by people who will never see the smiles and joy they create.

These gifts make a difference far beyond the holidays. Teens receive something special for Christmas, but they also receive something even more important: the knowledge that someone cares deeply and personally about them.

Thank you to our wonderful community and to Natasha Palmer for loving our teens, making Christmas wishes come true, and changing lives in meaningful ways. What a wonderful example of Huskie Heart and the beauty of Christmas. ❤️
