

BAC Registration and Tuition Information

Basic: This is our most popular offering. Families who choose to enroll their children in the Basic Plan will have access to care every school day from 6:45 - 8:00 AM and/or 2:30 - 6:00 PM. On inclement weather days, BAC is open from 7:30 AM - 6:00 PM for registered students.

Occasional Care: For families who would prefer to have their children join in the activities at BAC less than 5 days per week, we offer our Occasional Care program. All fees for Occasional Care access must be paid in full prior to service. We do require that all our Occasional Care families access the EZChild Track website to pre-register and pre-pay for Occasional Care. In extenuating circumstances, call the GROW office at (317) 733-4847 for any last-minute needs.
