Student Name _____ **EHS** Grade 10

Parent Signature/Date: _____ Course Selection Worksheet 2026-2027

Seniors graduating in June, 2029 will need 22 total credits to graduate. Included within these 22 credits are: 4 credits of English, 3 credits of Social Studies, 4 credits of Math, 3 credits of Science, 2 credits of Physical Education & Health, and a minimum of 6 elective credits. In some instances, it is possible to substitute an AP course for a core requirement. Talk with your counselor if this is something you'd like to pursue.
Please use the lists below to select your courses. You will have room in your schedule for six (6) credits: four required or core courses and two electives. The electives may be full or half-year as long as they total two (2) full credits. Your core courses are already entered into the system. You can review them when scheduling with your counselor.

The Program of Study that provides detailed descriptions of all courses is found on-line via the PMSD web page. Once at www.pmsd.org, select Academics » Curriculum » Secondary and then Program of Studies.

ELECTIVE COURSES. (2 credits total. See Program of Study for indicated pre-requisite courses.)
Choose up to ten courses you would like to take next year. **Prioritize your choices by placing the numbers 1,2,3, etc. next to the course, with "1" being the most preferred.** *Be advised you must complete a lower level course before signing up for a higher level course, i.e. "I" prior to enrolling in a "II", Intro before Advanced, etc.*
