## Device Protection Plan 2025-2026

The Torrington Public Schools (TPS) Device Protection Plan is offered to all students who agree to the TPS District Assigned Device Student User Agreement. This plan protects students and their families in the event that the device used by the student is stolen or damaged due to no fault of the student. This plan covers accidental damage or theft of the device, subject to the following: \$0 deductible for the first occurrence per school year and a set deductible based on tier for any subsequent occurrences. Students in grades K-6 are offered the protection plan at a reduced rate, as the risk of damage is significantly less for a device that stays in the classroom than a device that travels. Students in grade 6 may have the opportunity to bring their device home when assigned at-home work by their classroom teacher. The Device Protection Plan is offered to all students at the beginning of each school year and must be renewed annually.

*Torrington Public Schools reserves the right to charge families for any intentional damage caused by the student at the discretion of the District. If devices that are lost or stolen have a written incident or police report, the incident may result in a waived deductible.*

<b>DEVICE PROTECTION PLAN PRORATED ANNUAL PREMIUM</b> <i>All payments must be made via <a href="#">ParentSquare</a> by September 30, 2025.</i>
Tier 1 - Classroom Cart Devices (Grade K-6 & FAST Academy)
\$10.00 per Student
Tier 2 - Chromebook Plus (Grades 7-12)
\$40.00 per Student

*In the event that a student withdraws from the district, the premium is not refundable. If a family chooses not to enroll or renew enrollment in the plan, the family is responsible for the full cost of the replacement parts/labor or full replacement cost of the device, charger, and case.*

**I agree to participate in the TPS Device Protection Plan.** I agree to the terms of participation as outlined in this form and have included the annual premium payment.
