Dr. Jennifer Toney, Principal • Mrs. Sara Pruett, Assistant Principal

803 Briarcliff Road, NE Atlanta, GA 30306 (404)802-6051

February 12, 2026

## Spring 2026 College and Career Motivation Week Guest Speaker Registration Form

You are cordially invited to participate in our annual Springdale Park Elementary School **College and Career Motivation Week (CCMW)** scheduled for Monday, March 30<sup>th</sup> through Friday, April 3<sup>rd</sup>, 2026. The goal of CCMW 2026 is to increase awareness in high-demand fields, yielding more significant potential for local economic development.

CCMW includes a wide range of age-appropriate activities, including advisory lessons, a **College Spirit Day** (wear your favorite college paraphernalia) on **Wednesday, April 1<sup>st</sup>** college and career research, parent engagement, and much more. However, one of the most critical CCMW activities is guest speaker presentations during our Career Day. This is where **you** can help. Springdale Park Elementary School will host our annual **Career Day on Thursday, April 2<sup>nd</sup>**.

As a valued APS partner, we are asking you to consider participating in our Career Day. **Guest speakers for our Career Day will present to small groups of students (16-22) K-5 in 25 minutes rotations. There is no guarantee that speakers will be able to present to their child's class.**

We are also asking you to spread the word about this worthwhile initiative to your colleagues, friends, and associates. We appreciate any contribution you can make toward a successful College and Career Motivation Week for our students at Springdale Park Elementary School. Please use the link or QR code below to complete the response form indicating your availability to participate. We are asking for participants to register by **Friday, March 27<sup>th</sup>**.

If you have any questions, don't hesitate to contact us at (404) 802-6029.

Thank you in advance for your availability and willingness to enrich our students' education.

Respectfully,

Reginald Carter, School Counselor

# Career Day Consultation Information

(Ideas to assist with your presentation)

- How and why did you choose this career?
  - Relate to the students what you like and dislike about your career.
  - What is the chance for advancement and what is the occupational outlook?
  - Share the fringe benefits/perks associated with your career.
  - What is the beginning salary in your occupation?
  - What kind of job training or education is required for this career?
  - Please attempt to share direct correlations between your occupation and the students' present course work (math, reading, social studies, science, art, etc.).
- 
- **As a Science, Technology, Engineering, Art & Architecture Mathematics school we aim to develop learners who demonstrate the attributes of the Learner Profiles. In addition, we develop students' social emotional skills.**

We ask that you refer to one or more of the Learner Profile traits or social emotional competencies during your presentation:

Excel Academically, Think Critically, Solve Problem Creatively, Investigate Thoroughly, Communicate Effectively, Collaborate Strategically, Utilize Technology, Compete Willingly.

Self-Awareness, Self-Management, Social Awareness, Responsible Decision-Making, Relationship Skills.

Hands-on materials, visuals, giveaways, etc. are especially interesting to students of this age group.
