Review of WMS Vision Statement

Review Agenda Items

1. Review of Safety Presentation
2. Review of ALEKS
3. Review of Various STAR Reports
4. Review Fall/Winter Local Diagnostic

Discussion Points

1. **Review of ALEKS**
    a. Ms. Nelson asked about ALEKS, how it has morphed over the years. Principal Derix gave a quick review of ALEKS and the current implementation. WMS is building ALEKS to match the curriculum which is constantly updated and changing. WMS is Monitoring implementation and amount of lessons per week, some were graded and some were not. A suggestion was made to provide Notebooks for ALEKS and the 10 lessons per week.
    b. Discussion continued on the best way to work with Parallel classrooms. How to differentiate for different Math classes?
    c. Principal Derix reported that there will be Quarterly knowledge checks for all students.

2.

STAR Reports

a. Principal Derix reviewed the various STAR reports including Fall, Winter and Spring. There will be a universal screener for STAR Interventions. The reports will be a snapshot overview of classroom performance. And Data will be able to drill down to specific skills. Brandy Nelson had some follow-up questions re: STAR testing.
b. Principal Derix then reviewed Fall/Winter local diagnostics.

Other Notes

- Review of New Cell Phone Policy. Discussion Informally ensued about their children' s experiences.
