The following is a listing of scholarship opportunities directed to Pottsgrove students through email and US Mail. Review the listing to determine eligibility for a particular scholarship. Review the requirements for each to decide if a particular scholarship should be pursued. Visit the website provided and complete the application on-line or pick up a paper copy (if applicable) in the guidance office.

*****For scholarships that require an official transcript, request your transcript in the guidance office, allowing two weeks to process this request. Students are responsible for picking up the official sealed transcript and adding it to the scholarship application. Students must gather ALL necessary materials (Letters of recommendation, transcripts, signatures, copy of awards etc.), organize them and mail them to the address provided by the deadline. The guidance office does not mail scholarship applications (unless noted for a few particular scholarships). Those applications that require a return to the guidance office will be noted.**

It is important that all directions, suggestions and guidelines be followed for each scholarship. Failure to follow these directions or failure to mail or turn

in by the deadline may mean disqualification as a candidate for the scholarship.
