- Saleem Fernandez
- Damon Vandrey
- Melanie Duncan
- Carrie Jaeger
- Latrice Ferguson
- Anastasia Warren
- Annabel Perez

Agenda	Notes/Action Items
Check In / Celebrations	Members shared experiences following the recent freeze, and discussed strong student motivation tied to NWEA MAP testing incentives, with free dress generating the most excitement.
State of the School <ul style="list-style-type: none"> ● Family Sentiment Data ● Leadership Perception Survey MOY ● MAP MOY ● IRT Result 	<ul style="list-style-type: none"> ● The team reviewed December family survey results (97 of 377 responses) and noted that some families feel students aren’t being challenged enough academically, which led to a conversation about using more meaningful homework and possibly a structured platform to support it. ● Leadership perception data remained positive despite a typical mid-year dip. ● The team agreed to bring the homework discussion to the Leadership Meeting and work toward developing a clear, actionable homework plan.
