 - b. The CSPP program (preschool) will have a formal program review in April, 2026; the CCTR programs (ITC and SAP) will have a formal program review in May, 2026; the DAC may be interviewed as our Advisory Council
- VII. Announcements
 - a. Ivy shared that the team from the City of Santa Monica visited OneGeneration in the valley; this is where a senior care community is in partnership with a preschool/ECE program. They noted great success. The only challenge is that staff are continuously visited since they are licensed as both an ECE environment and a senior facility. Everyone enjoys the experience, but in some cases there are children and/or adults who do not participate for a variety of reasons. They are going to visit again, and are going to be looking into how this can potentially work.
 - b. No December meeting; we will meet again on January 14, 2026 – Happy New Year!
- VIII. Adjournment @ 6:45pm
