

2026-2027 School Year Course Registration Forms

Directions: In this packet you will find information to complete your course requests for the 2026-2027 school year. A table below describes each form in this packet and how you can use it to assist you in making your course selections for the next school year.

Sheet Name	Description
Florida Department of Education High School Graduation Requirements	Use this sheet to check what the state of Florida requires to receive a high school diploma.
Seminole High School Student Graduation Check Form	Use this form to check your grades and see what classes you still need to graduate.
Choosing Your Academic Pathway	Use this sheet to decide what pathway you want to take regarding the classes you take in high school.
2026 2027 SHS 10 th – 12 th Grade Course Options Sheet	Use this sheet to look at classes that are available at Seminole for the next school year. The course options are grouped by categories such as English, mathematics, science, world languages, etc.
2026-2027 School Year Course Request Schedule	These are the weeks that each grade level will meet with school counselors in the media center.
2026 – 2027 FINAL Course Requests Form **	Use this form to write down your course selections for the 2026-2027 school year.

**THE LAST SHEET (2026 – 2027 FINAL Course Requests Form) in this packet is what you submit for your course selections for the 2026-2027 school year. Below are two options of how to turn that form in:

- 1) Give the form to **Ms. Megan** in the media center (near the school counselors' offices)
- 2) Hold on to the form until it's your day to meet with your school counselor in the media center (refer to the 2026-2027 School Year Course Request Schedule sheet in this packet)

Academic Advisement Students Entering Grade 9 in 2023-2024 and Thereafter

What Students and Parents Need to Know

What options lead to a standard diploma?

Successful completion of one of the following options:

- 24 credits
- Advanced International Certificate of Education (AICE) curriculum
- International Baccalaureate (IB) curriculum
- 18-credit Academically Challenging Curriculum to Enhance Learning (ACCEL)
- Career and Technical Education (CTE) Pathway (See section [s.] [1003.4282](#), Florida Statutes [F.S.]

What are the state assessment requirements?

Students must pass the following statewide assessments:

- Grade 10 English Language Arts (ELA) or a concordant score
- Algebra 1 end-of-course (EOC) or a comparative score

A waiver of assessment results is granted by the Individual Educational Plan (IEP) team for students with disabilities. Additionally, students who have been enrolled in an English for Speakers of Other Languages (ESOL) program for less than two years may meet the requirement for grade 10 ELA by satisfactorily demonstrating grade level expectations of formative assessments.

Refer to [Graduation Requirements for Florida's Statewide Assessments](#) for concordant and comparative scores.

Students enrolled in the following courses must participate in the corresponding EOC assessment, which constitutes 30 percent of the final course grade*:

- Algebra 1
- Geometry
- Biology
- U.S. History

*Special note: Thirty percent not applicable if not enrolled in the course but passed the EOC (Credit Acceleration Program [CAP]). (See s. [1008.22](#), F.S.)

What is the difference between the 18-credit ACCEL option and the 24-credit option?

- 2.5 elective credits instead of 7.5
- Physical Education is not required

What is the difference between the CTE Pathway option and the 24-credit option?

- At least 18 credits are required
- 3.5 elective credits instead of 7.5
 - 2 credits in CTE courses, must result in a program completion and industry certification
 - 1.5 credits in work-based learning programs; Physical Education is not required
- Fine and Performing Arts, Speech and Debate, CTE or Practical Arts is not required

24-Credit Standard Diploma Requirements

Available To All Students, Including Students With Disabilities

4 Credits ELA
<ul style="list-style-type: none"> • ELA 1, 2, 3, 4 • ELA honors, Advanced Placement (AP), AICE, IB and dual enrollment may satisfy this requirement
4 Credits Mathematics*
<ul style="list-style-type: none"> • One of which must be Algebra 1 and one of which must be Geometry • Industry Certifications that lead to college credit may substitute for up to two mathematics credits (except for Algebra 1 and Geometry) ** • An identified computer science*** credit may substitute for up to one mathematics credit (except for Algebra 1 and Geometry)
3 Credits Science*
<ul style="list-style-type: none"> • One of which must be Biology, two of which must be equally rigorous science courses • Two of the three required course credits must have a laboratory component • Industry Certifications that lead to college credit may substitute for up to one science credit (except for Biology)** • An identified computer science*** credit may substitute for up to one science credit (except for Biology)
3 Credits Social Studies
<ul style="list-style-type: none"> • 1 credit in World History • 1 credit in U.S. History • 0.5 credit in U.S. Government • 0.5 credit in Economics
0.5 Credit in Personal Financial Literacy****
1 Credit Fine and Performing Arts, Speech and Debate, Career and Technical Education, or Practical Arts*
1 Credit Physical Education*
<ul style="list-style-type: none"> • To include the integration of health
7.5 Elective Credits
Students must earn a 2.0 unweighted grade-point average (GPA) on a 4.0 scale for all cohort years and pass statewide, standardized assessments.

*Eligible courses are specified in the [Florida Course Code Directory](#).

**[Industry certifications](#) for which there is a statewide college credit articulation agreement approved by the State Board of Education may substitute for mathematics and science credit.

***A computer science credit may not be used to substitute for both a mathematics and science credit.

****This requirement was added for students entering grade nine 2023-2024 and thereafter.

Academic Advisement

Students Entering Grade 9 in 2023-2024 and Thereafter

What Students and Parents Need to Know

Scholar Diploma Designation

In addition to the requirements of s. [1003.4282](#), F.S., a student must satisfy the following requirements:

- Earn 1 credit in Algebra 2 or an equally rigorous course
- Pass the Geometry EOC
- Earn 1 credit in Statistics or an equally rigorous mathematics course
- Pass the Biology 1 EOC++
- Earn 1 credit in Chemistry or Physics
- Earn 1 credit in a course equally rigorous to Chemistry or Physics
- Pass the U.S. History EOC++
- Earn 2 credits in the same World Language
- Earn at least 1 credit in an AP, IB, AICE or a dual enrollment course

**Special note: A student is exempt from the Biology 1 or U.S. History EOC assessment if the student is enrolled in an AP, IB, or AICE Biology 1 or U.S. History course; takes the respective AP, IB or AICE assessment; and earns the minimum college credit.

Industry Scholar Diploma Designation

- Meet standard high school diploma requirements
- Attain one or more industry certifications from the list established (per s. 1003.492, F.S.)

What is CAP?

The CAP allows a student to earn high school credit if the student passes an AP examination, a College Level Examination Program (CLEP) or a statewide course assessment without enrollment in the course. The courses include:

- Algebra 1
- Geometry
- Biology
- U.S. History

What are the additional graduation options for students with disabilities?

Students, in collaboration with parents and the IEP team, may choose two additional standard diploma options available only to students with disabilities. Both allow students to substitute a CTE course with related content for one credit in ELA 4, mathematics, science and social studies (excluding Algebra 1, Geometry, Biology 1 and U.S. History). The two options are as follows:

- Students with a most significant cognitive disability may earn credits via access courses and be assessed via an alternate assessment.
- Students enrolled in the academic and employment option must earn at least 0.5 credit via paid employment in addition to meeting the standard diploma graduation requirements.

State University System

Admission into Florida's [State University System](#) (SUS) institutions is competitive. Prospective students should complete a rigorous course of study in high school and apply to more than one university to increase their chance for acceptance. To qualify to enter one of Florida's public universities, a first-time-in-college student must meet the following minimum requirements (credit earned by industry certification does not count for SUS admission):

- High school graduation with a standard diploma, a minimum of a 2.5 GPA and admission test scores meeting minimum college-ready test scores per Board of Governors (BOG) Regulation 6.008
- 16 credits of approved college preparatory academic courses per BOG Regulation 6.002
- 4 English (3 with substantial writing)
- 4 Mathematics (Algebra 1 level and higher)
- 3 Natural Science (2 with substantial lab)
- 3 Social Science
- 2 World Language (sequential, in the same language or other equivalents)
- 2 approved electives

Florida College System

The 28 colleges of the [Florida College System](#) serve more than 650,000 students. Colleges offer affordable and stackable workforce credentials including certificate programs, associate in science degrees and associate in arts degrees, which transfer to a bachelor's degree program. All colleges also offer workforce bachelor's degree programs in areas of high demand. All Florida College System institutions have open-door admissions for students who earned a standard high school diploma or an equivalent diploma, or earned college credit.

Career and Technical Colleges and Centers

Florida also offers students 49 accredited career and technical colleges or centers throughout the state, which provide the education and certification necessary to work in a particular career or technical field. Programs are flexible for students and provide industry-specific education and training for a wide variety of occupations.

[Career, Adult and Technical Education District Postsecondary Institutions](#)

Where is information on financial aid located?

The Florida Department of Education's Office of Student Financial Assistance administers a variety of postsecondary educational state-funded grants and scholarships.

[Office of Student Financial Assistance](#)

For more detailed information on Graduation Requirements visit the Florida Department of Education's webpage at <https://www.fldoe.org/schools/k-12-public-schools/sss/graduation-requirements/>.

Seminole High School Student Graduation Check Form

Student Name: _____ Grade: _____ Year of Graduation: _____

1) What is your goal after you graduate from high school?

2) Complete graduation check using Focus

- a. To see what you still need to graduate from high school, refer to the Florida Department of Education High School Graduation Requirements sheet included in this packet
- b. To check your grades, GPA, and testing for graduation, follow the numbered instructions below
 1. Log into Focus
 2. Make sure you're on your home page (click Portal at the top)
 3. On the left side click "Grades" (this is next to the A+ symbol)
 4. Then in the middle of the page select "View Detailed Report" and you will be able to see all your high school grades from all the high school classes that you've taken and your GPA
- c. In the table below, write your letter grades down for each semester for each class that you have completed and write down your GPA

Grades:

Math	S1 & S2	English	S1 & S2	Science	S1 & S2	Social Studies	S1 & S2
Algebra 1		1)		Biology		World History	
Geometry		2)		2)		US History	
3)		3)		3)		US Government/ Economics	
4)		4)				Personal Financial Literacy	

PE CLASS	S1 & S2
HOPE	

Art Credit	S1 & S2

GPA: (write down you're unweighted GPA) _____ [You must have a 2.0 unweighted GPA to graduate.]

Graduation Testing (find in test history on the left in Focus):

Test	State Test	Alternative Test (CLT, SAT, ACT)
Math	Algebra 1 EOC	Yes or No (circle one)
	Yes or No (circle one)	
English	FAST PM 3	Yes or No (circle one)
	Yes or No (circle one)	

Seminole Program	Check
AVID	
Center for Educational Leadership (CEL)	
E-Commerce	
Band	
4A Arts Academy	
Engineering Academy	
RISE	
3DE	

[You must pass one English and one math test to graduate; the Algebra 1 EOC is taken at the end of that course and the FAST PM 3 English test is taken at the end of 10th grade.]

Acceleration Point (circle one) : Yes or No

[An acceleration point shows that students are prepared for a college and career pathway.]

Are you on track to graduate? (circle one) : Yes or No

Notes & Questions

Choosing Your Academic Pathway

Instructions: Use the following table to decide what academic pathway to complete throughout your high school career and to see the specific and suggested classes to take in each grade level. Below are the three different pathways (Advanced Scholar, College, and Technical/College). This information can also be found on the Pinellas County Schools website. Also these are suggested course pathways.

<p>Advanced Scholar Pathway</p> <p>Description: This course of study includes a rigorous level of required and elective courses that best prepare students seeking admittance to competitive four-year universities both in and out of state. This includes all students pursuing an AICE and IB diploma.</p>	<p>9th Grade</p> <ul style="list-style-type: none"> • English 1 or 2 Honors • Advanced Placement Human Geography • Geometry Honors or Algebra 2 Honors • Biology 1 Honors • World Language 1, 2 or 3 • Fine, Performing or Practical Arts elective (including many options in Career/Technical courses) • Elective 	<p>10th Grade</p> <ul style="list-style-type: none"> • English 2 or 3 Honors, or Advanced Placement English 3 Language and Composition • Advanced Placement World History • Algebra 2 Honors or Pre-Calculus • Chemistry 1 Honors or Physics 1 Honors • World Language 2, 3 or 4 • H.O.P.E. (PE/Health) • Elective 	<p>11th Grade</p> <ul style="list-style-type: none"> • English 3 or 4 Honors, or Advanced Placement English Language and Composition, or Advanced Placement English Literature and Composition • Advanced Placement US History • Pre-Calculus , Advanced Placement Calculus, or Advanced Placement Statistics • Advanced Placement Chemistry, Advanced Placement Biology, Chemistry 1 Honors or Physics 1 Honors • World Language 3, 4 or 5, or Advanced Placement World Language • 2 Electives 	<p>12th Grade</p> <ul style="list-style-type: none"> • English 4 Honors, Advanced Placement English Literature and Composition, or Dual Enrollment course • US Government Honors or Advanced Placement US Government • Economics Honors or Advanced Placement Micro/Macro Economics • Advanced Placement level math or upper level college math (placement test required) • Advanced Placement Science • World Language 4 or 5, or Advanced Placement World Language • 2 Electives
<p>College Pathway (Scholar)</p> <p>Description: This course of study includes a rigorous level of required and elective courses that best prepare students for entry into a college or four year university both in and out of state.</p>	<p>9th Grade</p> <ul style="list-style-type: none"> • English 1 or 2 Honors • Algebra 1 or Geometry Honors • Social Science Honors or Advanced Placement Human Geography • Earth Space Science or Biology 1 Honors • World Language 1, 2, or 3 • Fine, Performing or Practical Arts elective (including many options in Career/Technical courses) • Elective 	<p>10th Grade</p> <ul style="list-style-type: none"> • English 2 or 3 Honors • Geometry Honors or Algebra 2 Honors • World History, World History Honors, or Advanced Placement World History • Biology 1 or Biology 1 Honors, Chemistry 1 or Chemistry 1 Honors • World Language 2, 3 or 4 • H.O.P.E. (PE/Health) • Elective 	<p>11th Grade</p> <ul style="list-style-type: none"> • English 3 or 4 Honors, Advanced Placement English Language and Composition, or Dual Enrollment Composition 1 • Algebra 2 Honors, Pre-Calculus, or College Algebra • US History Honors or Advanced Placement US History • Chemistry 1 Honors, Physics 1 Honors, Marine Science Honors, Anatomy & Physiology Honors, or Advanced Placement Science • World Language 3, 4 or 5 • 2 Electives 	<p>12th Grade</p> <ul style="list-style-type: none"> • English 4 Honors, Advanced Placement English Literature and Composition, or Dual Enrollment Composition 1 or 2 • Pre-Calculus, Advanced Placement Statistics, or Advanced Placement Calculus • US Government, US Government Honors, or Advanced Placement US Government • Economics, Economics Honors, or Advanced Placement Macro/Micro Economics • Physics Honors, Anatomy & Physiology Honors, or Advanced Placement Science • World Language 4 or 5, or Advanced Placement World Language • 2 Electives

<p>Technical/College Pathway (Merit)</p> <p>Description: This course of study offers the opportunity for students to challenge themselves in specific academic and elective areas of interest, earn nationally recognized industry certifications, and pursue entry into a post- secondary technical school or state college.</p>	<p>9th Grade</p> <ul style="list-style-type: none"> • English 1 or English 1 Honors • Algebra 1, Geometry or Geometry Honors • Social Science or Social Science Honors • Earth Space Science or Biology 1 Honors • Fine, Performing or Practical Arts elective • World Language 1, 2 or 3 • Career/Technical Education Course 	<p>10th Grade</p> <ul style="list-style-type: none"> • English 2 or English 2 Honors or Access English 1/2 • Geometry, Geometry Honors, or Algebra 2 Honors • World History, World History Honors, or Advanced Placement World History • Biology 1 or Biology 1 Honors, Chemistry 1 or Chemistry 1 Honors • World Language 1, 2 or 3 • H.O.P.E (PE/Health) • Career/Technical Education Course 	<p>11th Grade</p> <ul style="list-style-type: none"> • English 3, English 3 Honors, Composition 1, or Advanced Placement English Language and Composition • Algebra 2 , Algebra 2 Honors, Pre-Calculus, or Advanced Placement Statistics • US History, US History Honors, or Advanced Placement US History • Marine Science, Anatomy & Physiology, Chemistry 1 , Physics 1, or Advanced Placement Science • Career/Technical Education Course or PTEC Dual Enrollment Courses • 2 Electives or World Language 2, 3 or 4 	<p>12th Grade</p> <ul style="list-style-type: none"> • English 4, English 4 Honors, Composition 1 & 2, or Advanced Placement English 4 • Pre-calculus, College Algebra, or Advanced Placement Math • US Government, US Government Honors, or Advanced Placement US Government • Economics, Economics Honors, or Advanced Placement Macro/Micro Economic • Chemistry, Chemistry Honors, Physics, Physics Honors, or Advanced Placement Science • Career/Technical Education Courses or PTEC Dual Enrollment Courses • 2 Electives

Home phone # _____

Student email: _____

Parent email: _____

Parent cell: _____

Please check a box next to the Academy or Program you would like to participate in:

- 3DE
- Band/Orchestra
- AVID
- E-Commerce
- SEA (Sustainable Engineering Academy)
- Sports Media Academy
- STEAM (Science, Technology, Engineering, Art and Math)
- CEL (requires a district application)
- RISE (requires a district application)

NOTE:

Math Courses will be selected based on grades and assessments through Algebra 2.

HOPE is a graduation requirement.

Students must aim to earn an AP qualifying score of a 3+ or Dual enrollment credit or earn an industry certification prior to graduation.

Courses with * require 2 periods.

Courses with a ** satisfy the one credit of fine/performing OR practical art needed for graduation.

A reading course may be required based on FSA/FAST data.

It is Seminole High School's goal to place students in their desired courses. However, at times do to scheduling conflicts we may have to make a course substitution. Schedule corrections are considered only for these exceptions.

***DE Classes require students to meet the admission criteria for SPC.

2026-2027 SCHOOL YEAR COURSE REQUEST SCHEDULE

Junior, Sophomore and Freshmen students, please use this schedule to determine when you will go to the media center to complete your course requests for the 2026-2027 school year.

JUNIORS

Class of 2027

TUESDAY, FEBRUARY 3RD

Juniors will come down to the media center with their US History class

WEDNESDAY, FEBRUARY 4TH

Juniors will come down to the media center with their US History class

THURSDAY, FEBRUARY 5TH

Juniors not in US History will be sent passes to go to the media center

SOPHOMORES

Class of 2028

TUESDAY, FEBRUARY 17TH

Sophomores will come down to the media center with their World History class

WEDNESDAY, FEBRUARY 18TH

Sophomores will come down to the media center with their World History class

THURSDAY, FEBRUARY 19TH

Sophomores not in World History will be sent passes to go to the media center

FRESHMEN

Class of 2029

TUESDAY, FEBRUARY 24TH

Freshmen will come down to the media center with their Honors English 1 class

WEDNESDAY, FEBRUARY 25TH

Freshmen will come down to the media center with their Honors English 1 class

THURSDAY, FEBRUARY 26TH

Freshmen not in Honors English 1 will be sent passes to go to the media center

**Seniors (Class of 2026) you're graduating so you won't be doing course requests. Congratulations!

2026 – 2027 **FINAL** Course Requests Form

NAME:

Directions: At the bottom of this form in the first table write down your 7 course requests for the 2026-2027 school year; additionally in the second table write down 3 alternative courses in the event one of your first 7 course requests is not available.

Finally, the student and parent must sign this form before meeting with the school counselor.

REVIEW THE FINAL REMINDERS ABOUT MAKING YOUR COURSE REQUESTS:

• **ALL GRADE LEVELS MUST PICK 7 CLASSES**

- Your course requests must keep you on track for graduation
- **MATH:** all students must take a math class each year and meet math graduation requirements
- **ENGLISH:** all students must take an English class each year and meet English graduation requirements
- **SCIENCE:** all students must take a science class each year and meet science graduation requirements
- **SOCIAL STUDIES:** all students must take a social studies class each year and meet social studies graduation requirements
- **HOPE (PE CLASS):** HOPE is required for graduation and typically students take it in the 10th grade; if you have not completed and passed HOPE by the end of your freshmen year then you will automatically be placed into HOPE for your 10th grade year regardless if you're going to take HOPE over the summer between 9th and 10th grade
- **PERFORMING/PRACTICAL ART:** every student must have 1 full credit of an art class before graduation
- **AP CLASSES:** highly recommended if you will be applying to a four-year college
- **FOREIGN LANGUAGE:** these classes are not required for high school graduation but are required for Bright Futures and admittance to college
- **ACADEMY ELECTIVE** (ex. AVID, CEL, etc.): ask your academy teacher for the exact (**EXACT**) class that you should take for the next school year
- **OJT (On the Job Training):** to be allowed into OJT you must have **BOTH** your English test score and your math test score for graduation requirements **AND** you must have your acceleration point; this class is typically for seniors
- **TA (Teachers Assistance):** only seniors can request this class; the class is called Workplace Essentials
- **Dual Enrollment (DE):** refer to SPC's website
- **Acceleration Point:** see QR code for the curriculum guide found on the 2026 2027 SHS 10th – 12th Grade Course Options Sheet

AS A FINAL REMINDER: YOU HAVE TO PICK SEVEN CLASSES; THIS IS REGARDLESS IF YOU NEED LESS THAN 7 CLASSES TO GRADUATE. IF YOU DO NOT SELECT 7 THEN THE MISSING CLASSES WILL BE SELECTED FOR YOU.

1 st Choice	2 nd Choice	3 rd Choice	4 th Choice	5 th Choice	6 th Choice	7 th Choice
Math	English	Science	Social Studies	Elective (ex. AP Class)	Elective (ex. Foreign Language)	Elective (ex. Academy class)

ADDITIONALLY: Please write down 3 electives in case your original electives are not available

8 th Alternative Elective	9 th Alternative Elective	10 th Alternative Elective

Student Signature: _____

Parent Signature: _____
