

JAINDL 5TH GRADE COMMITTEE MEETING

MONDAY, FEBRUARY 23RD AT 6:30PM

COLDWATER CROSSING CLUBHOUSE - 8466 MASON CT, BREINIGSVILLE

Everyone is welcome!

DEAR 5TH GRADE FAMILIES,

It's hard to believe that our children are in their final year at Jaindl Elementary School! As your 5th Grade Co-Committee Chairs, we are excited to work together to make this year truly unforgettable for our students.

The PTO, faculty, and staff at Jaindl have planned some amazing experiences for our 5th graders, and we would love to invite you to be part of making these special moments happen.

The PTO works tirelessly to support every grade level with field trips, assemblies, family events, field days, new library books, playground equipment, and special supplies. As 5th grade parents, we have the opportunity to help create lasting memories for our children during their final year at Jaindl.

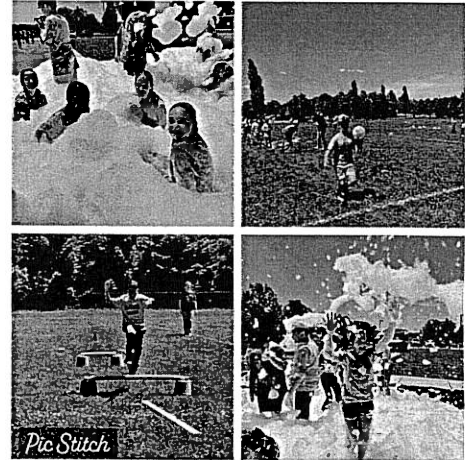

We believe there is a meaningful way for every family to contribute - whether through monetary donations, volunteering time, participating in fundraisers, or sharing your special talents and skills. Every contribution, no matter the size, makes an important difference.

Please consider joining our 5th Grade Committee to support the PTO's efforts this year. We completely understand that everyone has busy schedules, so please know that you can participate at whatever level works for your family. Whether you can help occasionally or regularly, we appreciate and welcome your involvement!

We will be sending out more information shortly that will include for key details about our upcoming activities and fundraisers. With your help and support, we know this will be our children's most special and memorable year at Jaindl Elementary! Thank you!

Sincerely,

Laurie Siegfried
