FAQs

What is Advisory?

Advisory is a class in the middle of the day. During this time, your student will participate in a variety of activities that relate to kindness, social-emotional and connection with his or her homeroom class. In addition there are fun lessons and activities with the 8th grade WEB Leaders.

What is Flex?

Your student will have Flex everyday in his or her homeroom classroom. Flex gives students time to complete assignments and practice academic skills. During this time, students may receive individual or small group support from the teacher. Students who have BOTH band and choir MAY NOT have Flex.

When is Band/Choir?

Your child will attend Band/Choir every day for 22 minutes. The remaining part of the period they will attend their Flex class. Students who elect band and choir may not have Flex depending on their individual academic needs. Students will also need to have their band instrument at school on their band lesson day. These are assigned at the start of each trimester.

What is WIN?

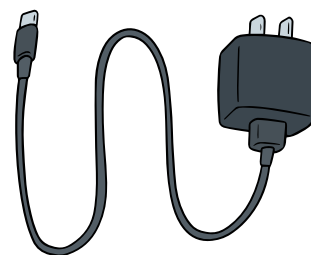

WIN stands for "What I Need". During this time, students will be working on different academic tasks/activities with advisory/homeroom teachers, interventionists, or special education teachers.

Assignments

How do I check my student's assignments?

Students work at their own pace. Some students may get their assignments done in school, while others may need to finish some assignments at home. There are two places where you can check your student's grades and progress on assignments:

1. **Infinite Campus-** The parent portal on Infinite Campus can be used to check your student's grades and see if they have any missing assignments. Teachers will update Infinite Campus regularly so you can see your student's most current grades. This should be the first place you check for assignment completion and grades.
2. **Schoology-** Teachers will post assignments on each Schoology course page. This is where your student should check for daily work in the event that they are absent. Not all assignments will be located in Schoology (such as paper assignments), but there will be information on where to find everything.

Snacks

Your child will have approximately 10 minutes at the start of 3rd period (10:13am) to eat a snack.

Students may bring a small snack-sized bag of a **healthy snack**- large snack containers must be left in lockers. Ziploc bags are available.

Please be "nut allergy" aware as you are choosing snacks.

Only **non-colored water** is allowed for a drink-no juice, pop, etc. **Please have your child bring a water bottle to school.**
