Dear Valley Pathways Parent(s) and Guardian(s):

Recently the Alaska Department of Education & Early Development (DEED) released the 2024-2025 Report Cards to the Public for each school district and school in Alaska. These Report Cards present information about performance for the 2024-2025 school year. During this fourth administration of The Alaska System of Academic Readiness (AK STAR) assessment, students in grades 3-9 were assessed in English Language Arts and Mathematics. Students in grades 5, 8, and 10 took the Alaska Science Assessment.

To view a 2024-2025 School or District Report Card to the Public, go to <https://education.alaska.gov/compass/Report/2024-2025/33/337020#overview>. This user-friendly website aims to provide families with clear, common information. The Report Card to the Public contains data and information about academics, school environment, teacher quality, and more. If you are unable to access the Report Card to the Public online, please contact us.

We know that the Report Card to the Public is just one of many ways you will engage with us at Valley Pathways. We look forward to sharing our school's successes with you and working together to make our school better every day. We hope you will closely follow your student's academic progress and work with his or her teacher(s) to help ensure academic success. Working together as a team, we can improve not only how well our students are performing individually, but how our school and district is performing as a whole. There is nothing more important to administrators and teachers at Valley Pathways than ensuring that students are ready for the next step in their academic career. We look forward to partnering with you.

If you have any questions or concerns regarding our School or District Report Card to the Public, please don't hesitate to contact us at william.reeder@matsuk12.us or call us at (907)761-4650.

Sincerely,

Will Reeder
Principal, Valley Pathways School
