

West Seneca Central School District Non-Public Transportation Service Request Application

In Accordance with Section 3635 of the NYS Education Law, parents or legal guardians of students residing within the West Seneca Central School District desiring to have their child receive transportation to a non-public school may, upon written request submitted no later than April 1st preceding the next school year, be provided transportation.

The following requirements must be met PRIOR to receiving transportation.

1. A Non-Public Transportation Service Request must be completed by April 1st for the upcoming school year.
2. A separate request must be completed for each student.
3. The parent/legal guardian must provide proof of identification for all requests.
4. Submit completed forms to: WSCS Transportation Department, 3300 Seneca St, West Seneca, New York 14224.

Please refer to our Central Registration website to complete a registration or a change of address if:

- The student is not currently, or has never been registered with the West Seneca School District.
- The student's address has changed.
- The student will be attending a new school.
