

HACC Dual Enrollment Planning Summer/Fall 2026

Let Us Know!

WHY Dual
Enrollment?

Students may enroll in HACC courses to earn college credit while still in high school.

What is Dual Enrollment?

- College classes taught face-to-face, remote, online
- Discounted tuition
- Credits may satisfy high school graduation requirements
- Credits become part of your permanent HACC record
- Credits can transfer to 4 year colleges and universities

WHY HACCP?!

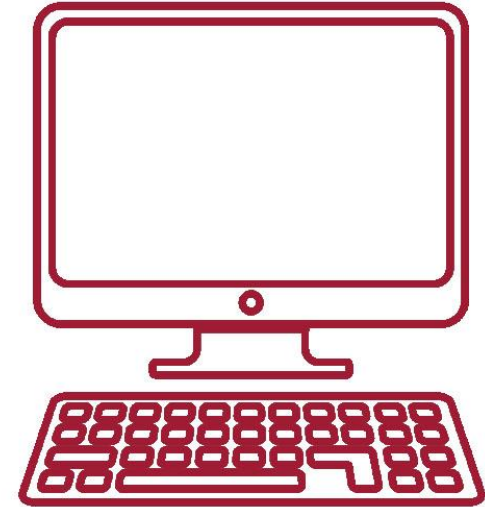

- Cost savings
- 100+ major options
- Intro to college experience
- College resources
- Transfer credits
- Scholarships

Tips for College Success

- Plan study time
- Meet attendance requirements
- Communicate and ask questions
- Use college resources
- Be Tech Ready
- Know course requirements and refer to syllabus
- Meet established deadlines

What the FERPA?!

- Students have the opportunity to indicate a release of information to a parent/guardian when completing the HACC admissions application.
- If a student did not indicate a release, information cannot be released to a parent/guardian **even if the student is under the age of 18.**
- Search FERPA at www.hacc.edu for more information and instructions for the release form submission.

FERPA

Family Educational
Rights & Privacy Act
