

DEVELOPING A CULTURALLY RESPONSIVE PRACTICE

March 10th and 12th from 4:30 pm to 6:00 pm

This virtual 2-session course is designed for educators to begin to explore the power of intentionally creating a culturally responsive practice.

The following are the key learning objectives:

- Learn the history of Cultural Responsiveness in education
- Clarify the need for Cultural Responsiveness in and out of the classroom
- Dissect their own cultural preferences and examine the ways in which this impacts their practice
- Unpack strategies to engage with curriculum and students differently by interpreting the 5Rs in Cultural Responsiveness
