Earlier today, a student at Fannin Middle School ran from the building. The situation required the involvement of the school administration and other community first responders. The situation was quickly contained, and the student is safe.

At no time was there any danger to other students, staff, or the school community. We appreciate the swift response of our School Resource Officer, the Fannin County Sheriff's Office, Fannin County EMS, the Blue Ridge Police Department, and the Fannin County Middle School team.
