Early Childhood Family Education

SAUK CENTRE ECFE 2026-2027

ECFE recognizes that parents are a child's first and most important teachers, and that sometimes parents need support and encouragement for this responsibility!

ECFE offers a variety of classes and resources for parents and children 2 years old through kindergarten age. ECFE sets the stage for parent involvement and children's success beginning in kindergarten through grade 12 education.

Children will learn through interactions with their parents, peers, and teachers, while also providing an opportunity for parents to learn and interact with other parents and educators.

This class is offered for children who are ages 2-3 years old by September 1, 2026.

This is a mixed age evening class provided for parents and children. This class offers a variety of teacher, parent, and child led activities for the first half of the night, followed by a parent led discussion and child play time.

ECFE registration opens at **8:00 am on Friday, March 13!**

How do I register my child?

Registration is available online:

- Visit the Sauk Centre School website at **https://www.isd743.org/**
- Scroll down and select the **2026-27 Preschool & ECFE Registration** link.

SIBLING CARE

We are excited to offer sibling care during ECFE classes! If you need somewhere for your other children to go during ECFE, you can have them attend sibling care at no additional cost.

Enrolling in sibling care is included in the registration process. Before the first session begins, parents are asked to inform Community Ed or the teachers if there are any changes in sibling care needs.

Sibling care is limited based on staffing and is filled on a first come, first serve basis.
