

Wadsworth Safety Town 2026

Week One - July 13-16 Week Two - July 20-23

In Partnership with the City of Wadsworth and Wadsworth City Schools

Every kindergarten child entering school in the Wadsworth City School District is invited to attend Safety Town! Safety Town is a unique educational experience offered in the summer to students entering kindergarten in the fall of 2026. Safety Town participants are taught about safety in the following areas: walking, bicycling, traffic, home, fire, school buses, strangers, and how to be a safe passenger in a car. Safety Town runs 2 ½ hours a day for 4 days. We are affiliated with National Safety Town, and our staff includes representatives from Wadsworth City Schools, a police officer, a firefighter, adult supervisors, and numerous teen volunteers.

The registration fees for Safety Town are \$25.00.

*The Wadsworth Safety Town is in its **54th** year and enjoys the enthusiastic support of the Wadsworth City Schools, Sacred Heart School, the City of Wadsworth, as well as several community service organizations and local businesses.*

The mission of the Wadsworth Safety Town program is to partner with parents, Safety Town Staff, and Community Helpers to provide a safety program that enables all participants to learn the safety rules and practices necessary to enter Kindergarten.

The Wadsworth Safety Town Program features an age-appropriate, interactive curriculum that enables each student to learn the safety skills necessary as they prepare to enter school.

We believe the Wadsworth Safety Town Program will prepare children to be aware of safety practices in their surrounding environments, including their homes and schools.

Please keep these things in mind when registering your child online for Safety Town:

* You must register with an **actively used email address** that you KNOW you will have access to at a later time. Communication is done solely via email. You may also receive follow-up emails for various reasons. Paper confirmations will **NOT** be mailed home.

*There is a "permission to use child's photograph" question that must be answered in order to complete your child's registration. Your consent on this question is called an "e-signature" and is considered to be a legal signature.

*Please be sure to sign your **CHILD'S** name in the *student* section of the registration and **NOT** the parent's name! Your child's name tag and graduation information will be wrong if we have the wrong information.

*If it is necessary to work around vacations and babysitting, please be careful in choosing your preferred time and/or date on the online registration. Also, be sure to register **early** to secure your preferred session placement. We **cannot** make changes once a session fills up. If you require a morning Safety Town session, please register early. Morning sessions are always the first to fill up. Once they are filled, we cannot make changes.
