Notice of Preference for Kentucky Residents

A public purpose of the Commonwealth is served by providing preference to Kentucky residents in contracts by public agencies and providing preference to Kentucky residents equalizes the competition with other states that provide preference to their residents.

As used in this provision, "Contract" means any agreement of a public agency, including grants and orders, for the purchase or disposal of supplies, services, construction, or any other item; and "Public agency" has the same meaning as in KRS 61.805.

Prior to a contract being awarded to the lowest responsible and responsive bidder on a contract by a public agency, a resident bidder of the Commonwealth shall be given a preference against a nonresident bidder registered in any state that gives or requires a preference to bidders from that state. The preference shall be equal to the preference given or required by the state of the nonresident bidder.

As used in this provision, a resident bidder is an individual, partnership, association, corporation, or other business entity that, on the date the contract is first advertised or announced as available for bidding: (a) is authorized to transact business in the Commonwealth; and (b) has for one (1) year prior to and through the date of the advertisement, filed Kentucky corporate income taxes, made payments to the Kentucky unemployment insurance fund established in KRS 341.490, and maintained a Kentucky workers' compensation policy in effect.

A nonresident bidder is an individual, partnership, association, corporation, or other business entity that does not meet the requirements of subsection (2) of this section.

If a procurement determination results in a tie between a resident bidder and a nonresident bidder, preference shall be given to the resident bidder.
This section shall apply to all contracts funded or controlled in whole or in part by a public agency.

The Finance and Administration Cabinet shall maintain a list of states that give to or require a preference for their own resident bidders, including details of the preference given to such bidders to be used by public agencies in determining resident bidder preferences. The cabinet shall also promulgate administrative regulations in accordance with KRS Chapter 13A establishing the procedure by which the preferences required by this section shall be given.

The preference for resident bidders shall not be given if the preference conflicts with federal law.

OR EQUAL CLAUSE

Whenever, in any of the contract documents, an article, materials, or equipment is described by use of a proprietary product or by using the name of a manufacturer or vendor, the term "or equal", if not inserted, is implied.

The use of a specific article or manufacturer's name shall be construed as indicating the type of equipment, design, general construction, quality, and finish. Such use shall not be construed as limiting or excluding any manufacturer's product of comparable quality, design, and efficiency.

PAYMENT TERMS

All payments will be made from original invoices only and require approval by the Warren County Board of Education prior to disbursement. The Board meets regularly on the second Thursday of each month. Net terms are 60 days from receipt of invoice. Failure to accept these terms will affect a vendor's eligibility under this proposal.

PENALTIES

In case of default by the vendor, The Board of Education may procure the articles or services from other sources and may deduct from any unpaid balance due the vendor the amount of the excess cost so paid, and the price paid shall be considered the prevailing market price at the time such purchase is made.

PERFORMANCE BOND

The Board of Education reserves the right to determine the ability of any bidder to perform the work, and any bidder shall, upon request, furnish such information as may be necessary to determine such ability, including performance bond, if requested.

PRICES

All prices quoted by the various bidders must be firm until the unit is confirmed operational. Only one line item per bid will be permissible. Bidders are instructed to bid only one price per line item which meets the specified requirements. Bidding of multiple items or multiple prices will disqualify your bid.

All bid prices shall include delivery, installation, assembly, setup, and removal of debris. Waste containers may not be available on the jobsite and successful bidder shall be responsible for dunnage removal.

All prices and quotations must be in ink or typewritten. No pencil figures will be permitted. Mistakes are to be crossed out and corrections inserted adjacent thereto and initiated by the person signing the bid. Corrections made with correction tape or fluids are not permitted. Bids that have clerical errors or irregularities are subject to correction only with concurrence with the Purchasing Administrator. Unit prices should be listed, extended, and totaled. Should errors exist in the extended price, the unit price will prevail.

QUANTITIES

The quantities listed herein cannot be guaranteed; however, the staff anticipates purchasing the minimum quantities listed. The Board of Education reserves the right to adjust due to pricing and/or changes in needs and/or available funding.

RIGHTS RESERVED BY AGENCY

SELL OR ASSIGN

The successful proposer shall not have the right to sell, assign, or transfer, any rights or duties under this contract without the specific written consent of the Board of Education.

SPECIFICATIONS

Specifications are attached and are a part of this proposal. All services furnished must be in conformity with the specifications and will be subject to approval of the Purchasing Agent. The Board of Education reserves the right to waive compliance of any services with any particular specification where such waiver is considered to be in its best interest, including but not limited to cases where such waiver is necessary due to technical errors or inconsistencies in the preparation of such specifications.

SUSPENSION AND DISBARMENT

a. Standard. Non-Federal entities and contractors are subject to the debarment and suspension regulations implementing Executive Order 12549, Debarment and Suspension (1986) and Executive Order 12689, Debarment and Suspension (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (Non-procurement Debarment and Suspension). b. Applicability. This requirement applies to all FEMA grant and cooperative agreement programs. c. Requirements. i. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs and activities. See 2 C.F.R. Part 200, Appendix II(H); and 2 C.F.R. § 200.213. A contract award must not be made to parties listed in the SAM Exclusions. SAM Exclusions is the list maintained by the General Services Administration that contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. SAM exclusions can be accessed at www.sam.gov. See 2 C.F.R. § 180.530. ii. In general, an "excluded" party cannot receive a federal grant award or a contract within the meaning of a "covered transaction," to include subawards and subcontracts. This includes parties that receive Federal funding indirectly, such as contractors to recipients and subrecipients. The key to the exclusion is whether there is a "covered transaction," which is any non-procurement transaction (unless excepted) at either a "primary" or "secondary" tier. Although "covered transactions" do not include contracts awarded by the Federal Government for purposes of the non-procurement common rule and DHS's implementing regulations, it does include some contracts awarded by recipients and subrecipients. iii. Specifically, a covered transaction includes the following contracts for goods or services: 1. The contract is awarded by a recipient or subrecipient in the amount of at least $25,000. 2. The contract requires the approval of FEMA, regardless of amount. 3. The contract is for federally required audit services. 4. A subcontract is also a covered transaction if it is awarded by the contractor of a recipient or subrecipient and requires either the approval of FEMA or is more than $25,000. The following provides a debarment and suspension clause. It incorporates an optional method of verifying that contractors are not excluded or disqualified.

TAXES

The Federal Excise Tax and the Kentucky Sales and Use Tax are not to be imposed as The Board of Education will furnish the successful bidder with proper tax exemption certificates upon request.

TERMINATION:

The Board of Education may cancel any contract resulting from this solicitation WITHOUT CAUSE upon thirty – (30) days written notice and WITH CAUSE upon seven – (7) days written notice to the Contractor. CAUSE may be but is not limited to, failure of Contractor to deliver the goods or perform the work as specified or within the time specified. The Contractor may not cancel this contract without prior written consent of the Purchasing Agent.

TERMS OF THE OFFER

The Board of Education's acceptance of Proposer's offer will be limited to the terms herein unless otherwise expressly agreed in writing by the Agency. Proposals offering terms other than those shown herein may be declared non-responsive and may not be considered.
